y speaker at the popular people's ser-vice in Massey Hall last night. The speaker was introduced by Mrs. Flora McD. Denison, president of the National Council of Women, who said that Mrs. Wells was trying to do for women what Lincoln did for the slaves, namely, emancipate them. The visitor, who was received with cordial applause, dealt first with the argument that women should not vote because they were not able to bear arms. Ability to fight was not a voter's qualification, and in all countries it

arms. Ability to fight was not a voter's qualification, and in all countries it was now being recognized how stupid was the sanguinary monster, war. As to women being too emotional to vote properly, Mrs. Welly referred to during the South African war. War was created by a few politicians who traded on the ignorance of the people. Another reason why women should vote was that they were being crowded more and more into the labor market. Woman's sex did not prevent her be-ing multished bil diw for any offence.
