LADY IRMA

15 to 1, Won

was my Long-shot Killing last Saturday. Nobody gave this horse a one-to-two chance, and all the newspapers said that she was trained off, and so on, but you couldn't fool me. I knew that she was in better condition last Saturday than any other time in her life. Well, did she not win like a one-to-three shot?

GETAWAY

BIG KILLING

TO-DAY

100 to 1

This is positively as sure a thing as ever faced the starter, and there is no language I could use to make this strange enough, and, if you let this get by you, blame yourself. It is a sure enough sleeper, and I want all my followers to take an extra long chance on him, for he is going to cash. See me without fail, and do just as the instructions say.

The Trap

Is Set

for one of the greatest killings in the history of the turf, and I want all turf followers, winners or losers, to come and see me without fail.

DON'T

HESITATE

You are going to come and see me sooner or later, so why not do it to-day? When you come in and see me I will convince you that I have a line of goods that cannot be equaled at any place or by anyone at any price, so get in early and avoid the rush. In order to accommodate the large crowd, the office will be open at 10 a.m. Price to everybody.
