Quebec Win in Overtime.

QUEBEC, Jan, 16.—In an overtime game here to-night Quebec defeated Nationals of Montreal in a schedule C.H.A. game of Montreal in a schedule C.H.A. game by a score of 12 to 11. The score at half by a score of 12 to 11. The score at half time stood 9 to 6 in favor of the visitors, owing to the evenly-balanced teams, but the brand of hockey furnished was ragged and featureless. There was practically no combination, owing to the close checking. The line-up:

Quebec (12): Goal, Doddridge: point, Blajr; cover, R. Power; centre, Grammery; rover. Maguire; right, Rooney; left, McDonald.

Popular of the new paper also declares war upon Senator Dandurand and ex-Mayor Laporte, as well as the other civic reformers.

The advanced clerical newspapers of the province are out strongly against both the entry of Mr. Perron, K.C., into the provincial cabinet, and especially against the nomination of Mr. Langlois, ex-director of Le Canada, to the legislative council. It appears that L'Action Sociale asked the Quebec premier if he intended to make these two rumored appointments, and Sir Lomer having declined to satisfy the journalistic curiosity, that paper says that "altho the prime minister's silence gives rise to all sorts of consilence gives rise to all sorts of con-jecture, we would have liked to be in a position to announce that Mr. Langlois vill not go to the upper house, neither will Mr. Perron enter the provincial

"In fact the promotion of these two men to the positions indicated would ereate a very painful impression among the great majority of the people of

Quebec Province. "After the retirement of Mr. Langlois from Le Canada, following so soon after the civic funeral of Mr. Cote, which was considered a great Masonic triumph, his elevation to the legislative council would be an insult to all Roman Catho.cs, and certainly Sir Lomer would never be able to disen-

gage his responsibilities. We hape, therefore, that these two appointments will not be made in spite of the premier's reticence, yet, if the glove is really thrown down to the Roman Catholics of the province, we will certainly lose no time in picking it up.'s
