On five Sundays we held open meetings, at which addresses were delivered by various speakers. At one of these meetings, Mr. Peter Scott, B.A., related his experience among the fishermen of Georgian Bay, and a collection was taken in aid of the Knox College Missionary Society. The teachers held monthly devotional meetings. On July 14th we engaged electric cars, and, accompanied by many of the parents of the children, proceeded to Springbank, holding the most successful picnic in our history.

The annual entertainment and children's tea meeting was held on the 28th of December, and was, as usual, a great success. Nine prizes for regularity of attendance were presented on this occasion.
