

HERE IS A DRINK WORTH TALKING ABOUT

## LIME FREEZE

A drink that is absolutely pure. Made with fresh limes, fresh mint and other pure fruit juices, blended with the right proportion of properly carbonated water, it makes a combination that is Just Right.

As healthful as it is refreshing. The juice of the lime is now recognized as being an important factor in warding off many ills of the summer season.

The new plot of cheap lots is reported as finished and selling well. It is understood that prices on lots and care will soon have to be raised to meet new conditions. The directors were entertained at the Manor House by the president.

**AN EXCITING RUNAWAY**

There was considerable commotion on Main street this morning when a large span of horses owned by Randolph & Baker became frightened and dashed down the street. The driver, John Hamilton, pluckily retained his seat and strove by every means in his power to check the frightened steeds. He succeeded in turning their heads into Mill street and eventually bringing them to a stop before any person had been injured or any damage done to vehicles. The horses took fright when the ring at the head of the wagon pole broke and the sleeves struck their heads. One of the horse's legs was cut, but the injury was not of a serious nature.

**SOLDIERS' AID COMMISSION**

A meeting of the Provincial Returned Soldiers' Aid Commission was held this afternoon at 8 o'clock in the office of the secretary, Charles Robinson, at 49 Canterbury street. Business in connection with the new convalescent home in Fredericton was discussed. Matters pertaining to the welfare of the returned soldiers were taken up. This committee acts in connection with the Military Hospitals Commission. Among the outside delegates who arrived in the city today to attend the meeting were: Colonel MacKenzie, Chairman; Colonel Forbes, Richibucto; Judge Wilson, Fredericton; J. D. Creighton, Newcastle; F. M. Burns, Bathurst; D. A. Stewart, Campbellton; Dr. L. N. Burke and J. Masters, Moncton; L. A. Ganong, Edmundston; J. A. Peat, Andover; D. Munroe, Woodstock; D. S. Peacock, Fredericton and Rufus Steves, Sussex. The local members of the committee are: J. B. Mc Baxter, Colonel Thomas Walker, James Sugrue and Thomas Bell.

**FAIRVILLE GIANTS WIN FROM ACADIAS**

A very fair crowd was in attendance at the baseball game in Woods' field, Manawagonish road, Fairville, last evening, when the Fairville Giants vanquished the hopes of the St. John Acadias to the tune of 8-3 in a four inning battle. Fryers and Carrigan supplied the battery for the visitors in the opening part of the game, but Carrigan was withdrawn in the third, and Chestnut twirled from that on, and very good ball too. The fans look for some real work when another match is played and Chestnut tosses the pill during the whole programme. For the Fairville team, Charles Duke was in the pitcher's box and in good form. Dick McLeod held him down on the receiving end. The score hardly tells the story of the game, which was really a better exhibition than the figures would suggest. The Giants are a much lighter and younger aggregation than used to perform previous years in Finner's Park, but they have some promising material and should be supported and encouraged a bit more by the public. The base ball boys of the old Fairville League have responded nobly, taken as a whole, to the call of king and country. These new comers are mostly too young yet for military service, and in their efforts to enjoy a good clean game of play the public should help them out.

### YOUNG SOLDIER GIVES HIS LIFE

**SERGEANT FRED FISH**

The accompanying is a picture of Sergeant Fred Fish, whose death was reported several days ago. He was a young man of only twenty years of age. He went overseas with the 26th Battalion and with that unit took part in practically all of the heavy engagements on the western front from the battle of Ypres to the Somme. Recently his mother and little sister removed to Toronto, where they are now residing with his married sister, Mrs. W. W. White. Sergeant Fish leaves, besides his mother, three brothers, Private Harold Fish, now in France; George Fish, now in France, and three sisters, Mrs. W. W. White of Toronto; Mrs. Harry Hughes of Calgary and Miss Harriet of Toronto.

### CALL FOR FIRST DRAFT ON SEPT. 1.

United States Will Send Third of Quota to Training Camps a Week Later—Married Men and Exemptions

Washington, Aug. 9.—Governors of the various states today received notice from Provost Marshal General Crowder that the first one-third of the quota of 897,000 men drafted for service in the national army will be called to the colors on September 1 and sent to training cantonments before September 5. More than 200,000 will be called into service in the first increment, bringing the country's total military forces up to one million men. The provost marshal's instructions to governors urged that they make certain that the first quota be ready on time.

Exemption boards were instructed today to deny immunity to married registrants in cases where the parents or either relatives of the wife volunteer to assume her support during his absence.

**WRONG SIDE BUT IN RIGHT PLACE**

South Bend, Ind., Aug. 9.—A man with his heart on his right side was discovered here today during the physical examination of men for the selective draft. He is Fred Mumme of River Park. Despite the abnormal position of the organ it is pronounced normal by the physicians and Mumme passed the examination with flying colors.

### ANOTHER CANADIAN HOSPITAL ACQUIRED

Building in Liverpool For Wounded to be Returned to Canada and Sick Who Arrive There

Liverpool, Aug. 9.—In that part of the Mersey City known as the Scotland Division—they call it the Scotland Division because all the Liverpool-Irish are denized there—there is a sixty-year old pile of buildings known as the Kirkdale Hospital. They were built in the first instance for children who came under the care of the poor law. Later they furnished shelter for older members of the community who were forced to accept the charity of the ratepayer. And within the last month the buildings have come into the hands of the Canadian Medical Service, wherein to place sick and wounded soldiers, about to be returned to Canada.

The opening of this new centre at Liverpool will furnish a place to which can be sent forthwith any soldier whom a medical board has slated "for further treatment in Canada." The new place, in fact, will serve as an assembly centre for those of the rank and file whose fighting value has been destroyed through wounds or sickness. Not a very inspiring foundation, certainly, for an inscription to be placed over the main entrance, although the usefulness of the institution, from the viewpoint of medical administration and economy, will be obvious.

Here too will be retained such men among troops fresh from Canada who fall sick during the voyage. On an average these number one or two per cent. Hitherto such cases have been admitted to English hospitals at the port of landing. The staff of the hospital will be about 250. Lieut.-Col. J. L. Biggar is the officer commanding. He came to England with the 18th Field Ambulance from Victoria. Col. Biggar is also well known in Toronto to the other officers of the staff are: Major T. H. MacDonald, Captains M. G. Thomson (Adjutant), who lives in France, with the C. F. A.; H. A. W. Brown, A. B. Walter, W. C. Pratt, P. F. McCue, S. Hawthorne (chaplain), I. H. Roberts, A. S. Burns, Lieut. W. G. Robertson and Lieut. Haylett (quartermaster).

Dear Mary:—

Do you know some people don't like company? I do. The real reason they don't is they are not fixed for it. I think it is a shame that women who enjoy having their friends come to see them can't ask them just because their houses are not properly furnished.

They ought to just go to their husbands and tell them plainly how they suffer cause they haven't got the furniture and rugs they need. That's what I'd do if Frank were not so good to me always.
