

UNUSUAL SHELL FOR HARVARD PRACTICE

Boston, Nov. 13.—A novelty barge, now under construction at Harvard, will be used in the spring to train the Harvard oarsmen. This boat, which will be 35 feet long and 6 feet wide, will have eight seats on each side, divided by an aisle, along which the coach can walk and coach the crew. The idea is one culled from those used in developing oarsmen at Washington University. Burgess, the boat designer, is said to have made the specifications for the new shell.

DAVE BANCROFT WILL MANAGE BOSTON BRAVES

Dave Bancroft, shortstop of the New York Giants, will succeed Fred Mitchell as manager of the Boston Braves. Bancroft, "Casey" Stengel and Bill Cunningham have been traded to the Braves in exchange for Pitcher Joe Oeschger and outfielder Billy Southworth. Mitchell announced that he contemplates purchasing a minor league club.

HIS BIRTHDAY.

David Willis of 14 Beaconsfield Ave. was taken by surprise on the evening of Nov. 9, in honor of his 65th birthday, by 100 or more of his friends, including some out of town guests. Games and dancing were enjoyed and refreshments served. Mr. Willis was the recipient of some nice gifts.

Trojans Football Team DEFEATS COLLEGE STARS

The Trojans football team defeated a fifteen composed of college stars on the Mount Allison grounds yesterday afternoon by a score of 15 to 3. "Beet" Malcolm was the individual star, securing two touchdowns and being instrumental in getting a third. Eric Snow converted all three. Paul Fraser's punting was a feature. The field was very muddy and while it formed a cushion for the players, who were thrown forcibly into it, it played havoc with their appearance and uniforms. On Saturday afternoon the Trojans and High School football teams clashed. The teams swapped forwards and as a result the game was fought out on fairly even terms. The Trojans' half line with the High School forwards won out by a score of 6 to 3.

The Failure of The Optometrist

There are times he has to admit he can do next to nothing for a patient. Eyes go too far. He doesn't like to talk about such cases, neither does the sufferer, and so you hear very little about them. The doctors can talk along this line a bit, but less — for when the eyes have gone too long without glasses, all the fresh air in the world, all the ocean trips — drugs, diet and exercise — avail not. You have one pair of eyes for a lifetime — conserve! Think of Glasses. Act in time!

Your wife's salary — what is it?

WE ask the question to emphasize the fact that wives do not get salaries: they just work for their board and clothes. They can't lay aside anything for times of sickness or old age. Their husbands are supposed to do that for them. It is selfish of a man not to make provision for his wife in the event of his death. To be sure the

law gives her a definite portion of his estate; but supposing he leaves no estate? Business risks, bad investments, hard times, luxuries — these may eat up the estate and leave her penniless. An Imperial Life policy will provide the one definite, sure and easily obtained provision for your wife; and she deserves something definite and sure — doesn't she?

Today — while you are insurable — ask us to send you our free booklet: "The Creation of an Estate." It explains how you can in this way make provision for your family if you die, or for your own old age.

THEY NEED FOOD AND SLEEP

An item going the rounds of the press says that Dr. C. J. Hastings, medical officer of health in Toronto, has made some investigations into the cause of school children falling in their examinations. Seventy per cent of the failures, he says, are children who go to school without breakfast, and of that number ninety per cent are allowed to remain up till nearly midnight each night, and consequently cannot rise in time to eat breakfast.

The present paid-up capital of the manufacturing concerns doing business in Three Rivers is \$60,000,000. The approximate value of manufactured goods, including products of the forest, handled at Three Rivers is placed at between \$60,000,000 and \$85,000,000 for last year.

CHEEKS COVERED WITH PIMPLES
Also Chin, Large and Red. Cuticura Healed.
"About a year ago a few small pimples broke out on my face. A month later my cheeks and chin were entirely covered with large, red pimples which itched and scaled over, and frequently caused irritation. I tried different remedies without success. I read an advertisement for Cuticura Soap and Ointment and sent for a free sample. After using it I could see an improvement so purchased more, and after using two boxes of Cuticura Ointment, together with the Cuticura Soap, I was healed." (Signed) G. Martens, Laval Hospital, Ste. Foye, Quebec.
Use Cuticura Soap, Ointment and Talcum for all toilet purposes.
