**CHILDREN'S PLUCK SAVES DROWNING TOT**

St. Catharines, Ont., June 6.—The hydraulic raceway was robbed of another victim by the presence of mind and teamwork of a half-dozen Girl Guides and cub Boy Scouts, all under ten years of age, who under the direction of Gladys Boreham, a Girl Guide, joined hands, waded into the rapid current, and rescued six-year-old Albert Walton. The lad on the end of the human chain, who seized the drowning child, was nine-year-old Felix Gauthier.

## "Overweight" Bread

In England it is customary for the vendor, when a loaf of bread is asked for, to weigh out the bread and then make up any deficiency in the loaf by giving the customer a slice off a second loaf.

No need of this in the case of Butter-Nut, every loaf of which is made overweight to offset the result of evaporation. Thus you are assured of a full pound and a half loaf when you ask for

More than a thousand shots from revolvers, rifles and shot guns were exchanged in the battle that followed the trapping of the bandits in a 1,000-acre wood, known as Coleman's woods, near Davidson Lake, a few miles southeast of Metamora. One of the bandits and one of the posse, William Duckler, a Pere Marquette detective, were wounded, the latter probably fatally.

The robbery of the bank occurred shortly after nine a. m. The four bandits, looking like farmers, drove up to the bank in a touring car. Two remained outside while two entered the bank. Only two employees, Ward Peck, the cashier, and Omer Potter, assistant cashier, were in the bank. Peck and his assistant were driven to the vault and locked in. The robbers gathered up all the money in sight, which they poured into a grain bag bulged to their automobile. As they drove away they were shot at by several citizens whose suspicions had been aroused by the conduct of the men who waited in the car.

Local officers commandeered an automobile and gave chase, while citizens leapt to organize a posse. So closely pressed were the bandits that they abandoned their car a few miles from Metamora and took to the thick woods at Davidson Lake, running in pairs, each pair carrying a big bag.

The second pair were carrying the bag containing the loot when the posse spread through the woods in all directions. A volley from the pursuers brought down one of the bandits and caused the other to surrender. Then the posse went into the very heart of the woods. Here the first two bandits, both armed with automatic rifles, exchanged volley after volley with their pursuers, who fought from behind cover of trees and brush. The battle raged almost an hour, then a silence from the bandits signified the end.

In a pool of blood lay their bodies, each riddled by bullets. Beside them were their guns and a large quantity of empty shells.

## DAVID AND GOLIATH SUGGESTED BY FILM

"To'able David" at Imperial is a Very Fine Picture, Starring Richard Barthelmess.

Even the fine summer evening did not prevent surprisingly large attendance at Imperial Theatre's week-opening yesterday. It was a splendid show the people saw too, they heard good music and altogether spent a pleasant two hours.

The story of David and Goliath is given a modern counterpart in the First National Attraction "To'able David," by Richard Barthelmess, who in one of the most thrilling fight scenes ever depicted for the films, as a mere stripling of a youth, attacks and kills a veritable giant of the mountains, in the performance of his duty.

Barthelmess' big fight scene comes at the culmination of two encounters with villains, father and son, who are seeking to retain the government mail sack which is entrusted to his charge. David kills them both, but before the one dies he huris a chair at the boy he has wounded and has his revenge in seeing the gun drop from the boy's grasp.

When Luke, another brother, the modern Goliath, steps on to the scene, David is defenseless, with his left arm useless because of a bullet wound. Heedless of his own life, and there ensues one of the most thrilling fights imaginable. It ends when David, with almost superhuman strength, huris his huge adversary over his back and falling, in so doing he stumbles on his lost revolver. The same bill is on today.

## TWO SHOT AND TWO CAPTURED

Thousand Shots Exchanged Between Posse and Bandits Who Robbed a Michigan Bank.

Ortonville, Mich., June 6.—Two of the four bandits who robbed the state savings bank at Metamora of \$6,000 were shot to death and two others captured by a posse of 500 armed farmers led by deputes from Genesee, Lapeer and Oakland counties. All the stolen money was recovered.

More than a thousand shots from revolvers, rifles and shot guns were exchanged in the battle that followed the trapping of the bandits in a 1,000-acre wood, known as Coleman's woods, near Davidson Lake, a few miles southeast of Metamora. One of the bandits and one of the posse, William Duckler, a Pere Marquette detective, were wounded, the latter probably fatally.

HEAD OF C. N. R. IN SEA PROVINCES DIES IN MONCTON

(Canadian Press Despatch.)

Moncton, June 5.—J. C. O'Donnell, general superintendent of the Canadian National lines, maritime district, died in the Moncton hospital this evening following an operation on May 26 for internal trouble. Mr. O'Donnell had not been in good health for some time, but following his operation he was apparently improving nicely, but took a serious turn this morning, passing away about 6.30 this evening.

Prior to coming to Moncton, Mr. O'Donnell was located at Winnipeg, being superintendent of the Edmonton, Saskatoon and Winnipeg, Canadian Northern Railway. He succeeded L. S. Brown as general superintendent of the maritime district, C. N. R., in December, 1920.

He was a son of Mr. and Mrs. William S. O'Donnell, of Winnipeg. He was born at Cobden (Ont.), December 17, 1878. Before his parents, he is survived by his widow and two young daughters, Mary Alice and Catherine Coleman.

Two brothers, W. O'Donnell, Rainy River and Roy O'Donnell, Winnipeg, and two sisters, Mrs. (Dr.) Mendel and Mrs. Stephenson, Winnipeg, also survive. The late Mr. O'Donnell was a very popular official and made many warm friends since coming to the Maritime Provinces. He was a member of the Knights of Columbus, a prominent Rotarian and a golfer.

The body will be taken to Winnipeg for burial, leaving Moncton on the Maritime Express tomorrow night.

**HALIFAX AND ST. JOHN.**  
(Halifax Chronicle.)

The conference between representative committees of the Halifax and St. John boards of trade has at last demonstrated that there are no difficulties between the cities, or even conflicting ambitions, which cannot be adjusted when representative men set down to discuss them. If we regard these conferences but as the beginning of an understanding, much has been accomplished. They will, of course, need to be followed up with other conferences, and much good will result, not only to the maritime provinces, but to Canada as a whole.

## WILL NOT APPEAL IN THORNE AWARD

The city will not appeal the Thorne wharf award of Mr. Justice Crockett in the matter of expropriation proceedings instituted by the city last month. This decision was reached at a private conference of the common council yesterday. A letter from Dr. J. B. M. Baxter, city solicitor, was before the council when reaching decision. It will be remembered that Judge Crockett awarded Senator Thorne the sum of \$14,866 and costs to be assessed on the city for a portion of Senator Thorne's wharf, known as the old electric light property, for the purpose of providing a building for the north wing of the east side ferry floats. The actual land involved comprised some 100 square feet above the water-mark. The city offered Senator Thorne \$6,000 for the property, but Hon. Mr. Thorne declined and asked \$40,000—\$20,000 for the value of the land, based on a rate of \$500 a foot of harbor frontage, of which he was deprived, and \$20,000 damage to adjoining property on the north by reason of a reduction in total available harbor frontage.

## MIDNIGHT CONCERT FOR D. S. C. R. FUND

The Women's Council of St. John provided an excellent concert and entertainment at the Imperial theatre last night after the second showing of pictures and pleased a large audience greatly. The concert was technically a midnight affair. It was several minutes short of midnight when the concert ended and so much was it enjoyed that the audience would quite gladly have had the programme continued until after the witching hour. The concert was held to raise funds for the furnishing of the kitchenette in the Red Cross recreation hut for Lancaster hospital and it was a financial success also.

The committee in charge, of which Mrs. A. D. Wilson and Miss Grace W. Leavitt were conveners, was congratulated on the novel form of entertainment and on its excellence. The Imperial orchestra gave a fine opening selection. Solos were sung with much sympathy and feeling by Mrs. Louise Levesque, Miss Beese Mooney and Leslie Bewick and M. C. Ewing acted as accompanist. Miss Olive Estabrooks gave a remarkably clever character sketch of a country girl and Bayard Currie played the piano solo, "Caroline," with splendid effect. The Goldwyn picture, "Made in Heaven," rounded out the programme.

**THE VICTORIA PLEBISCITE.**

To the Editor of The Times:  
Sir:—A most erroneous impression has been created by a despatch from Victoria stating that upon a vote taken on the "rigid" enforcement of the Lord's Day Act the citizens by an "overwhelming" majority declared against the Act.

The facts are:  
The proposed vote was not upon the "rigid" enforcement of the Lord's Day Act but whether it should be enforced at all, as indicated by the notice: "Are you in favor of the Sunday closing of all stores and businesses within the meaning of the Lord's Day Act?" Upon representation by the Lord's Day Alliance, the mayor, following the advice of the city solicitor, instructed the returning officer "to withdraw all notices . . . and to cease from any further act looking to a submission of the aforementioned question." This advice was that "the municipal council does not give the municipal council any authority to submit any referendum to the municipal electors whether the Lord's Day Act should be enforced."

A vote was taken, but how, the Victoria Alliance explains:  
(1) The plebiscite was at first, staged and managed entirely by the "Anti-Blue Sunday League."

(2) Although the city council refused to authorize the plebiscite the vote was taken in the public market at the same time and place as that upon an important city by-law.

(3) No representative of the "Lord's Day Alliance" or of any like-minded organization, or any person sympathetic with their views, was officially connected with the plebiscite.

Very sincerely yours,  
W. M. ROCHESTER,  
General Secretary, Lord's Day Alliance.

**THE CORNER TURNED**  
SAYS D. H. MACDOUGALL

In Glace Bay on Friday, speaking after his return from London with a party of officials and American steel

experts, D. H. MacDougall, vice-president of the British Empire Steel Corporation, expressed unbounded confidence in the future of his corporation's steel and coal properties in Cape Breton. The corner had been turned, in his judgment, and business might be expected gradually to improve. There would be a brisk season's trade in the coal, and the steel situation would improve with the general improvement now discernable all over the continent.

**Four Out of Five Wait Too Long—**

Are your gums tender—do they ever bleed when you brush your teeth?

If so—see your dentist at once and start using Forhan's For the Gums. You have the first symptoms of Pyorrhea.

Incredible as it seems, four people out of every five past the age of forty, and thousands younger, have Pyorrhea.

If neglected Pyorrhea soon runs its deadly course. It loosens teeth until they drop out or must be pulled, and it causes those deadly pus pockets to which scientists now attribute so much serious illness.

If you use Forhan's For the Gums consistently, and use it in time, you can prevent Pyorrhea or arrest its course.

Brush your teeth with Forhan's twice each day. It will keep your teeth and gums in a clean healthy condition.

Don't delay longer. Four out of five fall victims to Pyorrhea because they waited too long. 35c and 60c tubes, at your druggist's.
