Elaborate Improvements, Including New Balcony and New Ventilation

Improvements have recently been made to the interior of the Gem Theatre where, by it has been made one of the most up-to-date houses of amusement in the city. A new balcony with opera chairs has been erected giving accommodation for a large number of people and with the new ventilating system installed should be cool and refreshing in the summer heat. This new ventilating process applies to the downstairs portion of the theatre as well, and in position in all parts of the house, the theatre is one of the most comfortable, airy and modern in the city. A special evening bill will be given on Thursday.

AMUSEMENTS FOR OURSELVES AND OTHERS**NICKEL**

How well the clever Dolce Sisters are appreciated in their dainty singing specialties, may be judged by the applause which invariably follows every number. These charming little songsters are attired all in white with caps and parasols to match, and present a pretty stage picture. They have a particularly attractive programme of new hits for today and all should hear them. Laugh after laugh greeted the picture of Spriggins Took Lodgers, the engaged Anna Maria, providing the greatest portion of the fun. The last number is an exciting story dealing with the recent uprising in Mexico and follows the career of a bankrupt husband who sacrificed his life that his home might be saved. What a Woman Can Do is unusual in the fact that the play is enacted by one person only. The Nickel matinees are becoming more popular every day for the little ones and for the ladies who want to enjoy an hour's respite during the shopping tour.

R. K. Y. C. PLANS FOR CORONATION DAY

Programme for Thursday at Millidgeville is Announced—Promise of a Great Day

For the R. K. Y. C. "Members' Day" at Millidgeville, on Coronation Day, June 22, the clubhouse will be opened at 10 a. m., when members will be at liberty to entertain their guests in any way they wish. For the benefit of non-regular owners, motor boats will be provided to make trips to Indian Island, etc. At 2 p. m. a band will commence to play on the pier, and at that hour yachts are requested to return to the vicinity of the clubhouse. At 2.30, 3.30 and 4 p. m., motor boat races will be started, and at 3 o'clock a race for sailing dories will start. This is the first of the series in this new class, which is exciting a great deal of interest in yachting circles, and as the boats will be in view from the clubhouse at all times, it will no doubt, be an attractive feature.

A fine programme of water sports is being arranged to take place at 7 p. m. At sunset, 8.15, the squadron will make colors and illuminate, and afterwards there will be dancing, music being furnished by the City Cornet Band. During the evening there will be a display of fireworks and bonfires.

There will be plenty of teams to take everybody out and back at all hours, and the power boat Geneva will ply between Indian Island and the clubhouse pier. She will leave for the first trip at 10.30 a. m., and hourly during the afternoon and evening. For the benefit of those who remain at Millidgeville until the last trip at night, arrangements will be made to have a special street car at Indian Island on arrival of the boat.

Remember that the more we have to spend, the better will be the display. Members of yacht crews will kindly hand in their subscriptions in lump sums during their captain's.

The finance committee for the occasion is composed of Dr. A. H. Merrill, W. C. Rottwell, F. E. Williams, C. B. Allan, S. A. Williams, J. H. Kinsman, Dr. J. H. Barton, A. E. Everett, chairman, and H. W. Stubbs, treasurer.

Beware of Ointments for Catarrh That Contain Mercury

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescription by a reputable physician. As the disease they will do is tenfold to the eye, and possibly derive from them, it is better to use a medicine manufactured by Dr. J. C. Cheney & Co., Toledo, O., containing no mercury, and internally acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Remedy, be sure you get the genuine. It is internally and externally made in Toledo, Ohio, by Dr. J. C. Cheney & Co. Testimonials free.
