

The six Managers whose term of office now expires by rotation are Messrs. R. A. Gray, R. A. Little, J. B. Laidlaw, J. A. Cairncross, Geo. A. Somerville and M. H. Rowland, all of whom are eligible for re-election.

During the year all necessary repairs have been made to the church and the manse, which are now in good condition. A new picket fence has been placed in front of the cemetery at a cost of seventy-five dollars. The monuments have been properly adjusted, and the grounds well kept. But in consequence of the proximity of the cemetery to the city limits and the probability of its being brought within the corporation, persons requiring lots have gone to other cemeteries, so that the revenue derived from it is very small in comparison with the yearly expense of keeping it in order.

The carpet in the church, which has been in use for nearly eleven years, will soon have to be replaced by a new one, and it is thought that the congregation should devise some means of meeting this expenditure without encroaching upon the ordinary revenue.

THE BOARD RESPECTFULLY RECOMMENDS—

1st. That the Report of the Organ Committee as published in the last Annual Report be adopted, and that the thanks of the congregation be hereby tendered to the Committee for its diligence, and that the Committee be relieved from any further responsibility therewith.

2nd. That the congregation grant our pastor a vacation of a month or six weeks each year, thus enabling the Session to take steps as early as possible to provide suitable supply during his absence.

3rd. As it is very desirable that our Choir be maintained in its present state of efficiency, and as a few of the members of the congregation have been liberally contributing to a fund for that purpose during the last two years, and,
