MANUFACTURER AND DEALER IN

FURNITURE AND UPHOLSTERING

Having one of the most complete factories in the Province, and it being situated in the heart of the city, the risk of damage and the expense of bringing it 30 to 50 miles by Railway is avoided and having also the facility of turning out superior workmanship at the shortest notice, without any disappointment. We also have the use of one of the

and all the Lumber used in my factory is warranted well seasoned and perfectly dry, a great desideratum in new furniture.

I OFFER GREAT INDUCEMENTS

To parties who are about to fit up offices and other public places, as my facilities are unsurpassed in that particular branch of Cabinet work. I also pay particular attention to the furnishing of Lodges for all Orders.

AND LAST BUT NOT LEAST

I take especial pains in Upholstering Ladies' Fancy Needle Work, made up and fitted to any kind of frames.
