Lenten Pastoral.

The following is the Lenten Pastoral issued to the Rev. Clergy and the Laity of the Diocese by His Lordship the Bishop of Chatham :-

Epistle on Lesson, 2 Cor. VI. 1-10.—"We exhort you that you receive not the grace of God in vain. Dr. B. J. Kendall' & Co., Gents: Havin state a good deal of your Kendall's Spavin Cur with great success, I thought I would let yo know what it has done for rie. Two years ago had as speedy a colt as was ever raised in Jeffe son County. When I was breaking him, he kick over the cross bar and got fast and tore one of h hind legs all to pieces. I employed the best fa

It is a splendid medicine for rheumatism. I have recommercided it to a good many, and they all say it does the work. I was in Witheringt neck Research and some store, in Adams, the other day and swa very fine picture you sent them. I tried to buy it, but could not; they said if I would write to you that you would send me one. I wish you would, and I will do you all the good I can.

Very recpectfully, E. S. Lyman.

From the Akron Commercial, Ohio, of Nov. 25th, 1882. Readers of the Commercial can not well force that a large space has for years been taken up by Kendall's advertisements—especially of a certain Spavin Cure. We have had dealings with Dr. Kendall for many years, and we know of some large unusiness houses in cities near by who have also dealt with him for many years, and the truth is failly and faithfully proven, not only that he is a good honest man, and that his celebrated Spavin Cure is not only all that it is recommended to be, but that the English Language is not capable of recommending it too highly.

Kendall's Spavin Cure.

Hutchinson's Ranch, 12 miles north of Denver, Col.

Mar. 6th, 1823.

Dr. B. J. Kendall, & Co., Geuts:—For the past three years I have used Kendall's Spavin Cure. In every case of spavin, of which I have treated five, thas killed then all, and entirely removed three. In case of spinlt 1 find it has no equal, one case I had was of three years standing and the Spavin Cure removed it entirely. I had a cow get spavined and it entirely cured her. One year ago a two hundred pound block of ice fell out of a wagon striking my foot on instep and toes, it would be mpossible to mash a foot worse without breaking any bones. I was taken home and carried into the house. I do not think amputation of the leg would cause any more pain. I sent for Kendall's Spavin Cure, it was all I used, and in six days I could walk around. About three weeks ago my team ran away and threw me out of the wagon, the hind wheel struck my knee. After applying several highly recommended illiminents without obtaining any relief, I went for Kendall's Spavin Cure. My leg was drawn up and my knee swolen badly. In three days I was able to walk to the barn. I could go into details more fully and make this a very long letter, but will not weary you.

KENDALL'S SPAVIN CURE. Santa Rosa, Cal., Feb. 9th, 1883.

B. J. Kendall. & Co., Gents:—I feel it a duty to others suffering with the piles and failing of the rectum to write you. I have had the piles and prolapsus of the rectum for five years, for the past three years I have suffered the most agonizing pain. Tried everything without relief, but after ten days use of Kendall's Spavin Cure I have not seen nor heard of the piles since. One who has not suffered as I have cannot comprehend the great joy that I feel at being cured of a disease almost worse than death. I had a valuable young horse that had a large bunch gather on his breast bone. I tried all kinds of liniments and had it cut open without any benefit. Saw your advertisement and bought a bottle of Kendall's Spavin Cure and ordered my teamster to use as directed. In less than one week the lump had disappeared.—Thinking that a liniment that would do what Kendall's Spavin Cure has done for my horse might benefit more. I tried it as a last resort.

With gratitude and best wishes for your success, I am faithfully yours,

J. H. Glenn.
