Any Weak, Puny Man Can be Cured

Show me the men who would not be better than they are. It matters not how the rocks and shoals of life have worn the edge of the spirit of joyousness, have dulled the enthusiasm of youth, and left the nerves less vigorous, the eye less bright, the step less springy, the mind less forceful and the general vitality less powerful than they ought to be at your age, you want to be strong. Hard work wears, and worry, disap-pointment and the other cares of life drain away the vim and snap of perfect health. Electricity applied my way restores it. It makes you feel young, it renews your strength.

DR. McLAUGHLIN'S **ELECTRIC BELT**

Does this naturally. I know that the foundation of all strength is Electricity, and that Electricity alone will renew it. I have applied it for twenty-five years, and have cured thousands of weak people in that time. Every town knows my cures. My book tells of many grateful persons who were cured by my Belt after every kind of medical treatment had failed.

It is the one sure remedy for the cure of Rheumatism, Weak Kidneys, Weak Stomach, Nervous Debility in young or old, and similar ailments, as well as Dyspepsia, Constipation, etc. How can anyone remain in doubt as to the value of this grand remedy when you see so many cures?

church, one of the ablest ministers in church, one of the ablest ministers in Toronto, to the effect that the story of creation as told in Genesis is not believed to be actual truth by most ministers, but simply a myth. Rev. Dr. Carman, general superintendent of the Methodist church, takes Mr. Jack-son severely to task in a letter pub-lished today. It should be explained that Mr. Jackson is a member of the British Methodist body, and, owing to some formality, is only in name the assistant minister of Sherbourne

doubt as to the value of this grand remedy when you see so many cures? Lambeth, Ont., Nov. 17,1908. Dear Sir,-I take great pleasure in recommending your Belt to anyone suffering from Nerve trouble or loss of sleep from causes so frequent to men. D.ANGUISH: Monton, Ont, Nov. 19, 1908. Dear Sir,-I am glad to say that I feel in good health and am stronger than I ever was before. I have gained over fourteen poulds since I started to use your Belt, that does needing the use of your Belt that it will bring them to their ratural besith and strength again. A. 2. PARTRIDGE. S. S. Mina, Halifax, N. S., Oct 25, 1908. Dear Sir,-All I wish to say is that I feel quite with thave had no return of my old trouble since weaving your Belt, H certainly is all that you claim it to be thanking you for your kind treatment.-JOHN DAHL.
