Ralph Connor Endorsed.

Winipeg, Dec. 4.—At a meeting of the Winipeg Presbytery a resolution was adopted unanimously in relation to the attack upon Rev. Dr. C. W. Gordon (Ralph Connor), arising out of a resolution recently moved at a

meeting of the synod of Manitoba condemning the methods in use at the Macdonald election. The resolution read as follows:

"That this presbytery reaffirms the position of the Synod of Manitoba in reference to the Macdonald election and deplores the perversion of justice for the purposes of party politics. It vindicates the right of its members to criticize, commend, or review the actions of both political parties, a course which has been consistently followed in the past, as a perusal of its records show. It renounces the untruthful statements made against the Rev. Dr. C. W. Gordon, charging him with being the author and instigator of the resolution of the Synod and making insinuations based on those false assumptions."
