## YANKEES TRIMMED BOSTON AND WON AMERICAN LEAGUE PENNANT

Cleveland Lost to Chicago—Pittsburgh Defeated St. Louis and the Giants Lost to Brooklyn—New York Nationals and Americans Open World Series on Polo Grounds Next Wednesday.

Special to The Standard.  
New York, Oct. 2.—With the Yankees trimming Boston on Saturday by a score of seven to six, and the White Sox walloping Cleveland seven to four, the Yanks capture the American League pennant for 1921. As the Giants won the National League pennant the two New York teams will now play off for the World's championship and all games will be played on the Polo grounds. On Saturday Brooklyn trimmed the New York Giants seven to four but it did not worry manager John McGraw as he had the flag won some days ago, his nearest competing team, Pittsburgh, defeated St. Louis four to three, but they were out of the race last week.

The fans are now getting ready for the World's series which opens next Wednesday. It has been a great baseball season and the fight for first honors in both National and American Leagues has proved most exciting right up to the finish.

The Receipts  
If the Giants and Yanks play to capacity crowds on players pay days of world's series—first five days—players will divide total pool of about \$245,430, sixty per cent to winning club and forty per cent to loser.

This estimate is based on the sell-out of 1200 boxes at \$5 fifteen thousand reserved seats at \$5; nine thousand unreserved seats at \$3 and twelve thousand seats at \$1.

As each club has 25 eligible players including coaches, winners would receive about \$5,890 each and losers about \$3,820.

The greatest individual winner's share to date was that received by the Reds for the money world's series in 1919, \$250,111. The White Sox of that year received greatest individual losers shares \$125,444.

Many Visitors  
Thomas W. Hayzelden of Seattle is reported to have arrived at the Hotel McAlpin tonight to see the first New York intra-city world's series. Hayzelden said he had never missed a world's series yet. Other fans in points remote from New York have wired asking for hotel reservations several being on the way from cities in Texas.

The Costumes  
Both the Giants and Yanks will go "on road" theoretically during the world's series.

On Wednesday the Giants will be "at home" occupying their own bench and playing in their home uniforms of white, while the Yanks will hold out in the visitors dugout and play in grey travelling suits. On the second day the positions and uniforms will be reversed and thus they will continue to switch from home bench to the stranger's dugout, and from white to grey suits day by day until it's all over.

In Other Years  
It's 15 years since White Sox killed wonders of 1906 defeated the Cubs four games to two in only three intra-city world's series. Frank Chance and his great Cub machine succumbed to the Yankees and again White Sox by losing two games in succession after each club had won two. This series drew a gate of only \$106,500, considered a stupendous

## "I'M PULLING FOR HOMER PER GAME AND IF YANKS WIN GEORGE'LL DO IT"

New York, Oct. 1.—Mrs. Babe Ruth has edited the dictionary. She has scratched out the word "impossible." She considers the word quite unnecessary as far as her bulky husband is concerned.

Wherefore it was absolute confidence, not alone hope and optimism, that shone in her eyes when she said: "I think George ought to make a home run in every game of the world series!"

That is Mrs. Ruth's ambition. You bet she thinks Babe can do it!

Did you notice the name? No, the home-run champ's wife doesn't call him Babe. To her he's George.

Mrs. Ruth is as little as Babe is big. She has a small, rounded figure, Auburn hair that is short and curly, large eyes of a deep violet, and a happy voice.

Happy? Well, what woman wouldn't be? Millions of eyes focussed on her husband, paying homage to his prowess. And women in unprecedented numbers going to baseball games—even though many know nothing about baseball—just to see the famous Babe bat out a home run.

"Jealous?" Mrs. Ruth laughed. "Of course I'm not! I watch the women staring at George and smiling at him—and I think how lucky I am."

"They come to see me, too? Well, maybe some do. Yes, I do see many looks directed my way. And I suppose women do comment. Sometimes they have picked out the wrong one—and I have lots of fun listening."

Mrs. Ruth smiled. No, she wouldn't tell what she had heard. But apparently it wasn't distressing.

The Bambino's wife goes to every game the Yankees play in New York. She always sits in box 86, at the left corner behind the Yankees' dugout. Sitting there, she can see Babe as he ambles in after smashing out a home run, and he acknowledges her smile of praise along with the phaudis of the crowd.

"George has been in three world series before," Mrs. Ruth said. "These

## Mr. Allison Won From St. Dunstons

First Game of Season Played at Charlottetown Saturday—Score 3-0.

Special to The Standard.  
Charlottetown, P. E. I., Oct. 1.—In the initial game of the football season on the C. A. A. grounds here this morning the St. Dunstons' fifteen went down to defeat before the Mt. Allison University team from Sackville, N. B., the score being 3 to 0. The red and white lads of St. Dunstons' played a superior game to that of their opponents. This is St. Dunstons' first defeat in the first period which the Mt. A. boys look advantage of, sending Angeline through for the only touchdown of the game. "Big Chief" Myers failed to convert on the touch and the score board registered the lone 3 for Mt. Allison. E. Gillis, W. Gillis, L. McDonald, P. Walsh, P. Sullivan, W. McDonald, Rooney and McNamee played a great game for the Saints, while Angeline, the snappy forward starred for Mt. Allison.

During both half hour periods of play the piskins was in Mt. A. territory two-thirds of the time. At the end of the last period, just as one of the Saints captured the ball to attempt the touchdown, which would have tied the game, the referee, Frank McDonald, of Charlottetown, blew the whistle for all time.

This is St. Dunstons' first defeat in five years, but their spirit is of the winning sort, and with another practice or two they will become the same college champions that the Islanders knew in previous years.

## Something About Famous Babe Ruth

Played in Two World's Series With Red Sox Against Dodgers and Cubs.

Special to The Standard.  
New York, Oct. 2.—Babe Ruth has played in two world's series with the Red Sox against the Dodgers of 1916, and the Cubs of two years later but though he has 143 home runs to his credit in the last three seasons Babe never yet has made any world's series home runs.

Babe Ruth, outfielder, may be through as a major league pitcher but he still holds the record for consecutive scoreless world's series innings established when he was pitching for the Red Sox.

The feeble Athletics slammed Ruth for six runs in the eighth inning of Saturday's second game, just after the Yanks had won the pennant.

But Ruth can point to 29 consecutive scoreless world's series innings which is one more than even the great Christie Mathewson may claim. After being scored on in the first inning of the second Red Sox-Brooklyn game in 1916 Ruth shut the Dodgers out for 13 innings winning 14 in playing game 2 to 1. Babe next pitched world's series ball against 1918 Cubs, shutting them out in 9 innings. His next "Out" game was the eighth inning of Saturday's second game, just after the Yanks had won the pennant.

THE LORNE CLUB  
The Halifax Lorne Athletic Club, famous several years ago, will rebuild on a site north of the Dockyard. The explosion of 1917 not only caused the death of several of the most prominent

## Many Ball Fans Going To Series

With All Games Being Played in New York Fans Have a Rare Chance.

Now that the Giants and Yankees have carried off the titles in their respective leagues all the world's series contests will be staged at the Polo ground, New York, but the first game will be known as National League Day, and the second as American League Day.

The first game will be played on Wednesday, October 6, providing the weather will allow, and every day following until the finish. The clubs will alternate in handling the tickets and crowds. The clubs will change uniforms and also change benches. All the games will start at two o'clock and the prices are: Boxes, \$5; lower grand stand, reserve, \$4; upper, unreserved, \$3; all open seats, \$1. There are ten thousand and one dollar seats in the Polo grounds.

The first five wins out of eight brings home the bacon.

A large number of ball fans in the maritime provinces intend taking in the world's series, the New Brunswickers going either by train or by the Governor Dinsley of the Eastern line. As all games are to be played in New York the trip will not prove as expensive as if a person had to travel to some city farther away.

Members of the club, but it also destroyed the clubhouse, shells and thousands of dollars worth of trophies.

President W. R. Wakely has been active during the past year and the club is now in a position to proceed with the erection of an up-to-date clubhouse and shell house.

## U. N. B. Students Hold A Meeting

Decide to Appoint Publicity Committee—Hockey Team to Play in Boston.

Special to The Standard.  
Fredericton, N. B., Oct. 3.—At a meeting of the Students of the University, held Saturday, it was decided to appoint a publicity committee which would have charge of the advertising of all University activities. It was also decided to give permission for the University hockey team to play at Boston next winter, Harvard, Tech, and Dartmouth are the probable opponents. The appointment of a manager was deferred until Friday next, D. R. Bishop has been acting manager.

## Senior Football Team Vs. U. N. B.

The St. John senior football team will probably play U. N. B. at Fredericton next Saturday.

According to a statement made by W. R. Walsh who with W. E. Stirling is coaching the team, Mr. Walsh said arrangements had been practically completed to have the team play at the capital on the 8th.

The St. John High School team is to play Fredericton High at the Capital next Friday in the opening game of the Inter-Scholastic league.

The Mount A. football team are desirous of having the St. John players meet them at Sackville on the 15th.

## Miller Huggins Manager of Yanks

Brought Team Through to Pennant in Spite of Opposition Within His Club.

Special to The Standard.  
New York, Oct. 2.—Miller Huggins, manager of the Yanks, brought his team through to the pennant in spite of the opposition within his club all most as strong as that offered by the Indians. There was a time during the summer campaign when Huggins, suffering from painful illness almost lost his job. The Yanks under the management of Roger Peckinpaugh had won nine straight games and some of the players wanted Huggins dropped because, they said, he wasn't a smart baseball man. However, Huggins had been John McGraw's right hand man and he was a famous young man to whom he now gives all credit for the winning of pennant. Huggins is a retiring little fellow of the field, not a good mixer, and not of a dominant or driving personality.

Huggins' pitchers all have been going well during the last two weeks of the pennant campaign, and seem to be in unusually good shape just as the world's series impends. Carl Mays pitched Saturday and beat the Athletics. Bob Shawkey pitched Thursday in Philadelphia, and again on Sunday against the Red Sox at Polo grounds, winning both games. Sunday's score was 7 to 6 and Yanks were playing a burlesque ball game at that, not running out a hit and throwing the ball about the field in a playful fashion. Waite Hoyt, so called Kid Pitcher, won one game of the important series with the Indians and then went into another game to pitch seven innings. He was relieved in the second game but might have won had he been permitted to play. However, Hoyt used to be with the Giants and Huggins may therefore decide that he cannot be safely used in the

## FOOTBALL TEAM FOR WEST ST. JOHN

The St. George's Athletic Club is making a football team on the West Side and will give the St. John team, who are to play the U. N. B. a practice game next Wednesday. The West End team is not to be wholly of St. George's club players, but is open to any player who should wish to attend and have a work out.

Saturday afternoon there was a good turn out of players who worked hard for an hour and showed good form. All West Side football players, or those who would like to make the team are requested to be at the Queen square, West St. John, this afternoon at 5.15 for the purpose of practice.

BOXING IN HALIFAX  
It is reported that well known sporting men in Halifax will this week seek license to stage boxing bouts in that city. It is their intention to organize an athletic club and stage professional bouts for its members MacDonald and McGuire could be brought together and so long as the members only were admitted for the usual fee, the police could not interfere. Bouts are conducted under such conditions in the United States and Canada.

world series. Old Jack Quinn, although only a relief pitcher all season, hurled a star game against the Tigers recently winning a victory which counted for much in the pennant race. Later he was knocked out by the Indians, but on that occasion Huggins made a mistake of starting the game with Quinn in the box. Quinn's specialty is saving games. Rip Collins ought to be a great help to the Yankee folks, but he isn't and hasn't been for sometime, but Harry Harper returned to good form in the last two weeks and turned in a fine victory.

Taking the Yanks and Giants as distinctly individual ball clubs, no manager ever handled a team quite as John McGraw runs his Giants. But after all they play as a team where the Yanks are notorious as individual stars depending more on the power of their attack than on pitching to win ball games.

## Maine Horses Proved Winners

John R. Braden Established New Record at Charlottetown.

Special to The Standard.  
Charlottetown, P. E. I., Oct. 1.—The exhibition races closed today with fine weather and a fair attendance. Maine horses carried off the honors. The Free-for-All trot and pace was easily in straight heats by John R. Braden. This horse also established a new track record 2:08 1/4, lowering by four seconds the previous pacing record made last year by Fern Hall. The good broke down in the first heat and did not finish and there was a hot battle between the other three starters. Roy Vole went "sour" and caused much trouble in scoring but when he got away he did good work, taking second money.

The 2:22 trot and 2:25 pace was won handily in straight heats by Sacrose with a keen contest between the other horses. Batonetto was five lengths behind at the start in the second heat and was distanced.

Willard, the Maine driver received a special prize for making most points and \$100 for breaking the record.
