WIDENING THE CIRCLE

Every week *Toronto Saturday Night* is increasing its circulation.

After all that is the clearest possible indication of a paper's real worth.

It is evident that there is, in Canada, a public capable of appreciating the highest type of weekly periodical.

For, judging by *Saturday Night's* ever-widening circle of readers, more people are willing to pay 10 cents for the paper as it now is, than in its old form at 5 cents.

Toronto Saturday Night wants YOU on its subscription list.

But you're not expected to subscribe until we've proved to your complete satisfaction that it is "worth your while" to do so.

First buy a single copy from your newsdealer; take it home; read it.

If you don't thoroughly agree that it's the best 10 cents' worth you know of, we will gladly redeem that copy at its full face value.
