

If you're a man with thinning hair...

There's just no place like Klein's.

Klein's Hair Care Centre — now with locations all across North America — has helped thousands of men to achieve fuller, thicker, and healthier hair. More than likely we can help you, too.

Does Klein's Actually Stimulate Hair Growth?

Yes! We use our exclusive *Kleingrow* Hair Loss Control Program to stop excessive hair loss — and stimulate fuller, thicker growth. In fact, if we accept you for the program, we guarantee it!

How Long Will It Take?

It will depend on the degree of your hair loss. However, most men see excessive hair loss under control in eight weeks. And fuller, thicker, and healthier hair in six months.

How Much Will It Cost?

If you choose the Centre Treatment Method, it costs \$15 per treatment — most men need two a week. If you choose the Home Treatment Method, it costs \$3 per treatment — most men need it every day. After your hair growth is established, you can cut down the number of treatments in either method.
