An Evening Out with Roger Doris

Gene Taylor is currently entertaining patrons of the Hacienda Nightclub and Tavern on Carlingview Drive. Gene is a fine entertainer as well as hosting his own show on CITY-TV daily.

himself Delmar Borey, Phil Sykes whose record Smile with your eyes is doing so well; Richard Lewis, Wayne St. John; Marjorie Gross and Colin Kerr with his two myna birds.

I also dropped by and spoke briefly on the air of their success and contribution that CJMR has made to the community. I also spoke on behalf of the station, the sponsors and the visiting entertainers.

CJMR 1190 is a very community-minded radio station and their ability to get out into the community with the people has been an asset to the area.

Happy Birthday CJMR, and all the best in the future.

need to add on more calories (as if I need them).

From now until June 28 Roy Rogers Family Restaurants are serving a big piece of fresh strawberry pie with real whipped cream for just 59 cents.

Edward Harding and McLean are the featured entertainers this week at the 27 Restaurant and Tavern on the Highway.

The 27 Restaurant is also a great place for corned beef and pastrami sandwiches at lunch.

I hope all the fathers in the area had as nice a father's day as I had this past Sunday. It sure is nice being "king for a day." I didn't do a thing and was waited on all day. The little lady even cut the lawn for me, believe it or not.

Variation is the name of this group that will be opening this coming Monday evening at the Castlemore Restaurant and Steak House on Carriere Drive at Highway 27. They entertain both diners in the dining room and patrons of the lounge area.
