

Congratulations

Berlin, June 11, 1909.

Dear Mr. Nesbitt:

Your kind letter of yesterday, just received, has relieved my mind immensely. I did not imagine that you had much hope of unloading any number of your constituents on the Department of Labour, but I thought some of them might have been asking you for a word on their behalf, and I was naturally anxious to be of what service I could in this direction. I can stand all the jokes of this kind you care to make!

I am happy to say, so far as the campaign is concerned, that there does not appear to be any in sight. The ex-Mayor of the town may come out at the last moment, but if he does his candidature will hardly be taken seriously by anyone in the riding.

With kind regards, I am,

E. V. Nesbitt Esq., M.P.,
Woodstock, Ont.

Yours sincerely,
