Mr. W. L. MacKensie King,  
Roxborough,  
Ottawa, Canada,

Dear Mr. King:

A week or so ago the Great Western Sugar Company asked me to come there for an interview and it was their suggestion that I call upon you for a conference regarding their work.

Since coming back the situation here looks as though I am needed here and the President of our Company has made it so strong that he wants me to stay, that I hardly think there would be any reason for my coming to Ottawa.

Personally I regret very much that I will not have the privilege of talking with you, since you are interested in the things which are most to me in my life and I should very much enjoy and profit by such a conference, I am sure.

I trust I may have the pleasure at some future date.

FAA-H

Yours very truly,

*W. L. Anderson*
