

our common job is cut out  
for us.  
Some time soon I should  
like to have a heart to heart  
talk with you and several  
men go to Ottawa or Toronto,  
for the purpose. Great reso-  
lutionary forces are loose in  
the world; unity alone can  
control them - unity and  
friendship.

My best wishes attend you  
may you come to your task - which you  
know me some time - put you in the  
firmest hand. Sincerely,  
Frank Stewart.

Congratulation.

I am glad, indeed, that  
you have come into your  
own; it is a splendid  
work that has been  
committed to your  
hands - not the least  
item of which is that  
of helping, with us of  
America, to further  
friendship between the  
Republic and the Common-  
wealth.

Our enemies have been  
indeed again - and
