January 14, 1932.

Dear Kathleen:

I received your letter of 12th. I expect that Mrs. Weighen will go with me on Monday next by motor to Chatham, along with Lillian and Max. They will then go on to Sarnia and come back late at night. We will all be leaving on Tuesday morning for Toronto.

It will be a real pleasure for me to see you in Chatham. I have always asked Allison about you, and of course, knew where you were living.

Very kindest regards,

Mrs. Harold English,  
Chatham, Ontario.
