Right Honorable Arthur Meighen,
320 Bay Street,
Toronto, Ont.

Dear Mr. Meighen:

In view of the latest developments in the King cabinet regarding the reinforcements to the Canadian Army in Europe, I felt it to be my duty to send a declaration to the English and the French Press. I am enclosing a copy of it.

I am not in a position to guess in advance of the publicity given to it by the Press in general, but I would certainly appreciate your opinion on the merit of the question.

Faithfully yours,

S. Gobeil
