

appear to have been made from any survey. in fact an actual survey of the locality appears to have never been made.

The strict wording of the lease is also not as Mr London quotes, that is "thence from the mouth of the Shewetahgan in an easterly direction along the shore of Lake St Blair to the mouth of Johnson's Lake thence in a northerly direction &c." but it is as follows:  
 "thence from the southern mouth of the Shewetahgan channel or luts along the shore to the mouth of Johnson's Lake and thence in a northerly direction to Goose Lake &c."

It is to be noted that it is not defined what shore shall be followed, but it is positively defined that a
