

COOK'S

Sunday School Publications.

THE BRITISH AMERICAN BOOK AND TRACT SOCIETY has made arrangements with Mr. DAVID C. COOK, of Chicago, to act as agent in the Maritime Provinces in taking orders for Sunday School Papers, Quarterlies, etc., published by him. The Society has also secured the EXCLUSIVE AGENCY for Nova Scotia. For a list of these publications with prices, see page 56 of this Report. The agency has been entered upon for the convenience of our correspondents, who can now obtain the publications referred to on the same terms from us as if ordered directly from the publisher. As to the quality, our friends can judge from samples which will be sent on application. We have every confidence in the soundness of the views of Evangelical truth presented in these publications.

Subscriptions can be made for a single quarter or for a year. Any correspondence relating to this branch of the business will receive prompt attention. No stock of these publications is kept on hand at the Depository. The prices quoted do not include the duty chargeable on the books and cards when imported from abroad. Printed books are subject to fifteen per cent., and S. S. Cards to twenty-five per cent. They are liable to be detained at the Post Office and sent to the nearest Custom House for collection of duty. The Society will not be responsible for delay, and the person ordering must be prepared to pay the duty charged. Sunday School Papers and Quarterlies are free of duty. No order will be accepted unless payment accompanies it. Remittances can be made in Post Office Order, notes in a Registered Letter, or for small sums, Postage Stamps. The publications will be forwarded promptly from the office of publication to the subscriber. Orders must state clearly with what month the subscriber wishes the papers or quarterlies to begin, and the period of time for which they are to be sent. To prevent disappointment, the date should be placed far enough in advance to permit the order to reach the office of publication, and the periodicals to be received before they are wanted.

In case there is an error in the extension or in the prices set down in the order, the number of publications will be reduced or increased as may be required, to make the correct value. Full name and Post Office address, plainly written, to be given in all cases.
