If you do not see what you want listed above, do not hesitate to order it anyway. In all probability we can get it for you, or tell you where you can get it.

The prices are fixed to include postage, and are correct at the present time, but cannot be guaranteed in the future.

Please preserve this page for reference as it will not be re-printed for some time, and it is the only list available.

Next month we plan to print another list of Stories, Exercises and Poems which we have in stock.

It is desirable that cash or its equivalent (stamps for small amounts are always welcome) should accompany all orders, as in this way additional expense is avoided.

Requests for information will be cheerfully answered. Address such, and all orders, to W.B.F.M.S., Literature Department, 473 Palmerston Blvd., or better still call and inspect the stock for yourself. Phone Coll. 3810.
