

# Page Power

*For Every Purpose*

PAGE ENGINES made in sizes from 1½ H.P. to 15 H.P. \$39.00 up. The lowest-priced high-grade farm engines in Canada. In size, weight, power, materials, workmanship and finish—the equal of engines selling at 25% to 50% more. Famed for fuel economy and low up-keep cost. The right power for every purpose.

**\$39.00 up**

## Be Sure to See The PAGE EXHIBIT

At the Canadian National Exhibition, Toronto, Aug. 28 to Sept. 11

You will find a complete line of the most up-to-date Time-and-Labor-Saving Equipment for Farm and Home. Sold DIRECT to you at the LOWEST PRICES for which worthwhile goods can be bought.

**DIRECT  
FREIGHT PAID**

Buy the modern way—DIRECT from PAGE—and put the middlemen's profits in your own pocket. By cutting out all extra profits between you and us, we give you the very best goods at the lowest prices. Freight paid on \$10 and over. "Satisfaction—or your money back" guaranteed.

### PAGE ENSILAGE CUTTER

*With Steel Enclosed Elevator*

The only cutter made with elevator steel-enclosed. No chance for cut feed to blow away or pile up at carrier-base. Absolutely free from clog or choke. One-lever control for both feed-rolls and apron. Handles the largest-sized bundle—with carrier at any angle—to silos of any height. Power-economy and cutting-capacity make the PAGE ideal for YOUR work.

**\$110.00 up**

**FREE CATALOGUE** Be sure to get a FREE copy of the big PAGE general catalogue.

### PAGE THRESHER

*Pays for Itself*

You can thresh your grain when it's ready—when it's needed—when you have time to spare. No waiting for your neighbours. The saving in tolls soon pays its cost. By doing custom threshing you can make a big profit every year. Staunch, simple, lasts a lifetime. Needs least power. Gets all the grain from your crops.
