MILBURN'S HEART AND NERVE PILLS

cured Mrs. K. E. Bright, Burnley, Ont. She writes: "I was greatly troubled, for six years, with my heart and shortness of breath. I could not walk eighty rods without resting four or five times in that short distance. I got so weak and thin I only weighed seventy-three pounds. I decided at last to take some of Milburn's Heart and Nerve Pills, and after taking eight boxes I gained in strength and weight, and now weigh one hundred and thirteen pounds, the most I ever weighed in my life. I feel well and can work as well as ever I did, and can heartily thank Milburn's Heart and Nerve Pills for it all."

Price 50 cents per box or 3 boxes for \$1.25 at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

GOSSIP.

J. & D. J. Campbell, of Fairview Farm, Woodville, Ont., have sold the choice young bull recently advertised in our columns, the purchasers being Reid Bros., of Reaboro, Ont. As Messrs. Campbell still have some of the 400 bushels of seed barley advertised in "The Farmer's Advocate," they continue their offer of same in their regular advertising space.

Mr. Wm. Ische, Sebringville, Ont., near Stratford, makes a change in his advertisement of Aberdeen Angus cattle, having sold out of bulls old enough for service, but writes: I have a lot of females left, including a number of young cows with calves at foot, which I will sell right, to make room. Anyone wanting a number of good Angus females would do well to come and see my stock, as my prices are lower this year than I have ever offered them before.

Messrs. J. A. Boag & Son, of Queensville, Ont., the well-known importers of Clydesdale and Hackney horses, write that they have lately sold to Mr. Robert D. Boyes, of Meaford, Ont., the high-class stallion, Buttress (imp.), by Hiawatha, winner of second prize at the late Ontario Horse-breeders' Show, at West Toronto, in one of the strongest classes ever seen together in Canada. This is one of the kind of horses that combine size, quality, and a smooth, stylish conformation, and will certainly be appreciated among the breeders in that part of the County of Grey. Messrs. Boag have still on hand for sale the two 3-year-old stallions, Ardnahon (imp.), and Timothy (imp.), as well as the 4-year-old, Lord Newlands (imp.). These horses are a kind that will pass inspection before the most exacting critic; they are smooth to a turn, stand on the best possible kind of bone, ankles and feet, are exceptionally well-bred, and will be sold at a right price and on favorable terms. In Hackneys, they are offering the high-class stallion, Blanch Surprise (imp.), by the great champion Rosador. This is one of the good ones, an all-round natural actor, and won third place at Toronto. Also the filly, Rose Campbell (imp.), in foal to Blanch Surprise. All these horses are Toronto winners and should go quick at the prices asked.

SHORTHORNS, CLYDESDALES AND YORKSHIRES BY AUCTION.

Under the auspices of the Myrtle Sales Association, at Myrtle Station, C. P. R., in the covered pavilion on Friday, April 9th, getting the benefit of the holiday single-fare rates, there will be sold by auction a number of high-class Clydesdale stallions, mares and fillies, including the imported mare, Queen, a bay, rising four, by Baron Mitchell. This is an extra-choice mare, of superior quality, and in foal to the Ottawa grand champion, Imp. President Roosevelt. The other mares and fillies are a superior lot, with size and quality. One of the stallions to be sold is a bay, rising three, imported in dam, sired by Durbar, dam Imp. Rosalee. This colt is one of the very thick, smooth kind, with superior quality throughout. Another is a bay, rising two, by the Toronto grand champion, Imp. Baron Richardson, dam by Aene. This is an exceptionally good colt, up to a big size, and choke-full of quality. The Shorthorns to be sold number 30, all young, and in splendid condition. Among the heifers are a number of show things. Among the bulls are several high-class herd-headers. Fuller particulars of the breeding will appear next week. There will also be sold a number of young Yorkshire sows and boars, high-class representatives of the breed. The terms are cash, or six months on bankable paper at 6 per cent. Myrtle is on the C. P. R. and G.T.R., about 37 miles east of Toronto, and has good hotel accommodation. The animals to be sold at this sale are from the leading Shorthorn herds of Ontario County, and are richly and fashionably bred, and will come out in splendid condition. This will be one of the sales of the year, and owing to the cheap holiday rates then on, will present a good opportunity for farmers from a distance to attend.

Watch Your FRUIT TREES

Have V 2 Fluid ready and watch the Fruit Trees. At the first sign of insects moving, of Scale, Aphids, Psylla or other destructive insects, spray the trees with V 2 Fluid Spray Mixture (one part V 2 Fluid to 100 parts water).

That means death to every insect on the trees in which it comes into contact—and absolutely no injury to leaf, blossom or fruit. Tell us the size of your orchard and mention this paper and we will send, free, copy of our book "The Eradication of The Plant Pests."

For sale by druggists and dealers generally or direct from

WM. COOPER & NEPHEWS

Winter spraying can't prevent re-infection. The coming of warmer weather means that insects will be on the wing—passing from tree to tree and orchard to orchard.
