

**THE IDEA BACK OF ECONOMY BOILERS**

**PLEASE HOT WATER BOILER**

is to give the fullest degree of comfort and warmth with the least expense of fuel and labor, together with freedom from repairs and everlasting life.

ECONOMY BOILERS fill all these requirements exactly—and more.

The waterways are correctly proportioned for free, rapid circulation.

Fire and flue surfaces are backed by water and so arranged that heat rays will touch upon every inch of their area.

They have deep corrugated fire-pots with overhanging fire surfaces.

The fire and ashpit doors are large, simplifying the adding of fresh fuel and the removal of ashes.

Our books "The Question of Heating," or "Boiler Information" sent free on request.

"ASK THE MAN WHO HAS ONE."

**Valuable Book on Barn Building FREE**

Write at once for this valuable book. It contains information that every farmer should have regarding the sanitary housing of dairy cows. It explains every fundamental of correct construction and gives proper dimensions and arrangements. It describes lighting, ventilation, stable floor, and their construction, and contains suggestions about silos, site, exposures, appearance, design, drainage and inside equipment. Besides, you will find in this book a number of practical barn plans and other information that may point the way to your saving many a dollar. We have designed many of the finest and most modern dairy barns in this country and this book is based on our long experience and expert knowledge in dairy barn construction. The book contains in concise, clear and condensed form, information necessary to any farmer who is planning to build or remodel. Understand, we send you this book absolutely free without any obligation on your part—just for answering these few questions: Do you intend to build or remodel? How soon? How many cows have you? Will you want a litter carrier? Will you want a hay fork outfit? Send to-day.

**This Engine Runs on Coal Oil**

Every farmer can afford an Ellis Coal Oil Engine. They give as more power from coal oil than other engines do from gasoline. They are safe, as well as cheap; no danger of explosion or fire.

The strongest and simplest farm engine made; only three moving parts: nothing to get out of repair. Anyone can run it without experience. Thousands of satisfied customers use these engines to grind feed, fill silos, saw wood, pump, thresh, run cream separators, and do dozens of other jobs. Cheaper than horses or hired men. Fill up the tanks and start it running, and no further attention is necessary; it will run till you stop it.

**FREE TRIAL FOR 30 DAYS** You don't have to take our word for it. We'll send an engine anywhere in Canada on Thirty Days' Free Trial. We furnish full instructions for testing on your work. If it does not suit you send it back at our expense. We pay freight and duty to get it to you and we'll pay to get it back if you don't want it.

**Absolutely guaranteed for 10 years.** Write for free catalog and opinions of satisfied users. Special offer in new territory.
