There are at this date in Canada 1381 members of the C. M. B. A., and medical certificates of 78 applicants approved. FROM THE SUPREME RECORDER. Allegany, N. Y., Aug. 11, 1884.

To the Officers and the Representatives to the Supreme Council of the C. M. B. A.: You are hereby officially notified that the first biennial and fifth convention of the Supreme Council of the C. M. B. A. will be held at Detroit, in the Young Men's Catholic Union rooms, commencing Tuesday, Sept. 9th, at 9 a. m.

The representatives from the Grand Council of Canada to the Supreme Council Convention are Rev. P. Bardou, Cayuga; D. J. O'Connor, Stratford; Thomas O'Neil, Paris, and Thomas Coffey, 2nd Vice President. T. A. Bourke and Jno. Doyle, members of committees of Supreme Council, will also attend.

This convention will be of more than ordinary interest to C. M. B. A. members in Canada, on account of the petition from our Grand Council in re separate beneficiary jurisdiction, and amendments to the constitution adopted at our late U. S. Convention.

A meeting of Branch No. 26, Montreal, was held on the evening of the 25th of August, the president, Mr. T. J. Finn, in the chair. After routine business, the subject of the regretted decease of the late Mr. Patrick Dinahan, a valued member of the association, was brought up, and it was resolved to attend the funeral in a body. A committee was appointed to draft resolutions of condolence with the family of the deceased, and it was also resolved that out of respect to his memory the hall of the branch be draped in mourning for the period of one month.

The remains of the late Mr. Dinahan were brought from Montreal to London to be interred in the family plot. The funeral took place from the C. W. R. Station on the 30th inst., and was largely attended by friends and relatives of deceased. The members of Branch No. 4 of this city marched in procession from the station to the Cathedral, where Requiem Mass was celebrated by Rev. Father Walsh. Mons. Bruyere, Rev. Fathers Tiernan and Cook, also Rev. Father Dinahan, O. S. D., brother of deceased, were present.

Father Tiernan preached a very impressive sermon; his words will long be remembered by those who heard them. Brother Dinahan was but a short time a member of our C. M. B. A. His death was caused by inflammation after about twenty hours' illness. May he rest in peace.

The following typographical errors, of which our representatives to the Supreme Council will please take notice, appear in the report of the Amendments to the Constitution Bylaws and rules of order adopted by our Grand Council at its last meeting. 1. Amendment No. 6 should come under the head "Supreme Council amendments."

4. In amendment 13 the words "section four" in the first line should read "section six." 5. In amendment 14 the word "members" should read "member." 6. In amendment 15, instead of "Art. 3," read "Art. 2."

BAKING POWDERS CONTAINING LIME. Why "Royal" is Absolutely Pure.

Analysis shows the presence of Tartrate of Lime in several brands of Baking Powder placed upon the market. "DR. PRICE'S" Baking Powder contains Tartrate of Lime.

"PEARL" Baking Powder contains Tartrate of Lime. "GROFF'S SNOW-FLAKE" Baking Powder contains Tartrate of Lime.

"DE LAND'S" Baking Powder contains Tartrate of Lime. All BULK Baking Powders contain Tartrate of Lime.

The presence of this substance in the above-named Baking Powders results from the use of inferior Cream of Tartar in their manufacture. The Cream of Tartar of Lime in amounts varying from six to ten per cent, and hence these powders contain this impurity as a foreign substance to a corresponding extent, which is of no value, but a positive detriment in any powder in which it is found.

The Royal Baking Powder is made from Cream of Tartar specially refined and prepared for its use by patent processes by which the Tartrate of Lime is totally eliminated. This highly important result has been attained only with great care, labor, and expense. In money alone a quarter of a million dollars has been invested in patents, machinery and appliances by which the crude Cream of Tartar, being procured direct from the wine districts of Europe and subjected in this country to these exclusive processes, is rendered entirely free, not only from the objectionable Tartrate of Lime, but from other foreign substances. This adds greatly to the cost of manufacturing Royal Baking Powder; but, as all its other ingredients are selected and prepared with the same precise care, and regardless of labor or expense, an article is produced that is entirely free from any extraneous substance, and chemically pure in all respects. No lime, earth, alum, or impurity of any kind can, by inadvertence, or by the use of adulterated articles or otherwise, be introduced into the "Royal," and it contains no ingredients except those certified by the Government and other eminent chemists necessary to make it pure, wholesome, and perfect Baking Powder.

It costs more to manufacture the Royal Baking Powder than any other, but it is, as shown by chemical analysis, the only "absolutely pure" Baking Powder made.
