OTTAWA ONT March 2, 1830. The writer has been selling Perry Davis' Pain-Killer now for the last 22 years, and can confidently recommend it to the public as a sure remedy for Cholera, Diarrhom, Sore Throat, Chronic Coughs, Bronchitis, Burns, Scalds, &c. Have known it to cure a case of Syphibise Sore Throat of two years' standing, when all the usual remedies failed. The patient took half a teaspoonful in water three times a day, and gargled the throat three times a day as follows: one teaspoonful in a wine glass of water, and used as a gargle.
