**PENNY
WISE**

GRANT-03-

The only real value of money lies in making use of it.

The money that lies there in your safe from day to day doesn't do you any good until you commence to use it.

Then its value to you depends on how you use it.

Now, if you would only invest some of it in advertising space in THE GROCER and then use the space right you'd have a valuable assistant, working to increase your trade with grocers and to make yourself and your goods better known among them.

Some folks would sooner save (?) the money—but they are "penny wise and pound foolish."

But you're not.

Are you?
