Vinegars It was Vinegar, or an advance in the price of Vinegar, that caused us to publish this Bargain List.

While the manufacturers were making arrangements to put up the price on this line, we succeeded in placing an order for a great quantity of Wilson's Celebrated XXX Vinegars at the old price less a substantial discount for quantity. Then we found that we did not have sufficient storage room to accommodate this special purchase, so decided that it was absolutely necessary to sacrifice a certain part to make room for the balance.

"Wilson's" is the finest Vinegar in Canada, always demanding a higher price than other lines. During this sale you may have XXX Cider, XXX Malt or XXX White Wine in 5 gallon wax-lined pails at, per pail, \$1.80.

Pickles A snap in the choicest medium sour mixed pickles just at a time when you will want them is that we offer here. We guarantee the contents of each pail to be the most select vegetables in pure vinegar; in fact, we do not know of a better line on the market. In 5 gallon wax-lined pails, each \$2.83.
