

TORONTO'S ROLL OF HONOUR

The Publishers wish to convey their thanks to the Toronto Board of Control and the City Treasurer's Department for their aid and courtesy in compiling this Directory.

While we have endeavored to have it authentic and complete there is no doubt some errors in misspelled names or addresses, as it was a very difficult job to obtain the names and addresses of the First Contingent. Some Torontonians no doubt enlisted in other Canadian Cities and we would like to have their names and addresses.

We would indeed be thankful for anyone who knows the name of any Toronto man who enlisted in the First Contingent and whose name does not appear in this Directory, to forward the same to us.

THE PUBLISHERS.
