Preparing to Leave For Home'

[By Special Wire to the Courier] TOKIO, Aug. 21.-Japan is quietly preparing for eventualities, following the expiration next Sunday of her ultimatum to Germany, demanding the withdrawal of Ger-man warships from the Orient and the evacuation of Kiao-Chow.

The strictest prohibition has been placed on the publication of any information concerning the movements of Japanese ships and troops. All correspondence is censored and the newspapers are closely watched.

The activities at the German embassy, where personal effects are being packed for shipment, are the only indication of what the answer of Germany will be. Mean while nothwithstanding the most sensational reports of the treatment of Japanese in Germany, there is no evidence of anti-German feeling here. On the contrary, the authorities have given notice that all Germans remaining in Japan must be treated courteously. German professors are expected to remain at their posts unless they are needed for service at home.

The war and navy departments are preparing for a move on Kiao Chow, where, contrary to current reports, the fortifications are really formidable. Since the outbreak of the European war thousands of Chinese coolies have been employed in strengthening these defences. It is believed here that the taking of Kiao-Chow will not be an easy task.

The Japanese newspapers and leading Japanese express surprise at the tone of the American press that attributes sinister motives to Japan in sending an ultimatum to Germany. They state that this action was taken only after weeks of conversations with Great Britain and was at the request of and with the approval of Japan's ally. Premier Okuma and Foreign

Minister Kato hase made repeated and categorical denials that Japan has designs on Samoa and the Philippines or any other terri-Baron Fiichi Shibusawa, presi-

ser Will Call at Prince Rupert.

VANCOUVER, B.C., Aug. 21-

It is believed here that there is absolutely no foundation for the rumor that a German cruiser has called or is about to call at Prince Rupert for coal. At present there is a detachment of Irish Fusiliers under Lieut.-Col. McSpadden at that point, and up to the present no intimation from him at the brigade headquarters of anything untoward has been received. The German cruiser Leipzig did not pass through the straits to the north or she would have been engaged by the Rainbow and submarines, neither was she seen on the west coast of Vancouver Island. It is questionable whether she would have been able to steam so far north in the time since she left San Francisco.

German Embassy in Tokio is Striking Spectacle of Foreigners Lined Up in Paris

> [By Special Wire to The Courier] PARIS, Aug. 21.-1.30 p.m.-The reat square fronting the Invalides in Paris to-day presented a striking spectacle when 18,000 foreign volunteers sembled in orderly formation under the flags of their various nations to be mustered in. There were 4,500 lews from all countries who desired o serve as a separate command; there vere also 3,000 Belgians, 4,500 Italians, 2.600 Russians, 2,000 Swiss, 1.000 Spaniards. 600 Roumanians. 335 Lux-

mburgians and 125 Americans. Tll these volunteers were obliged o wait until the complete mobili-zation of the French regular forces had been concluded which was accomplished yesterday. In the meantime 30,000 foreigners residing in France have placed their names provisionally on the rolls of a committee calling tself "the friends of France."

Only those volunteers resident in Paris presented themselves to-day. It will take several days to comply with all the formalities and examinaions and make the men into anything like an organized body of troops.

"We arrived in Cologne Tuesday night after having run 250 miles during the day. We pushed on to Cre-feld. The highway was congested with guns, ambulances and munitions of war of all kinds. At only one time did we seem to be in real danger. This was when two soldiers pointed their guns menacingly at our heads, as our leliberate chauffeur took his time in topping on their orders.

WINNIPEG, Aug. 20.—With no buying power on the market wheat prices today eased off considerably. General sentiment prevails that while values may go much higher the advance for the present is high enough. A heavy movement is on the eve of starting, and this will depress prices to some extent. Wheat opened unchanged to 1½c lower and about noon had dropped from the opening and held steady. Flax opened at an advance of 2c to 3c and held firm. Wheat closed 3½c: cash wheat, 3½c to 5½c lower.

The cash demand for wheat was good, Ontario millers only being buyers. Ontario millers only being buyers.

MONTREAL GRAIN MARKET. MONTREAL GRAIN MARKET.

MONTREAL, Aug. 20.—There was no further change in the condition of the local grain market today, being very firm with a fair trade passing in car lots. The demand from London for oats is good and as high as 29c was bid for No. 2 Canadian western. The enquiry from the United Kingdom for spring wheat flour today was fair, but there were no firm bids and millers state that they are not in a position to make any offers at present. The local trade is active at firm prices. Demand for mill feed is good, and offerings are rather scarce. Old etop baled hay is in good demand at strong prices. The trade in butter is rather quiet, but there is more demand for cheese, and some round lots have been sold over the cable, which has tended to strengthen the market in the country and prices have advanced.
