BRANTFORD

GENERAL AGENTS FOR CANADA

Mentioned in Despatches

Newton D. Baker has been chosen as Secretary of War by President Wilson. Mr. Baker is an ex-mayor of Cleveland, Ohio, and is the youngest member in the Cabinet, being but forty-four years of age. The new Secretary of War is a strong Democrat, and has long been one of the President's closest personal friends. He holds some radical views, but these are not such as to prevent him working harmoniously with the President.

Sir John A. Boyd, K.C.M.G., Chancellor of the High Court of Ontario and one of the great legal lights of a generation ago, is seriously ill in Toronto. As he is in his seventy-ninth year there is naturally considerable anxiety over the prospects of his recovery. Sir John Boyd has been on the bench for forty years. He was born in Toronto in 1837, and educated at Upper Canada College and the University of Toronto. He was a partner of the Hon. Edward and F. M. Blake, and during his lengthy legal experience took part in scores of important cases. He gave up his work on the Bench a few days ago.

Lord Newton—Men who refuse \$10,000 a year jobs, but still perform the work are none too common in this materialistic age. Lord Newton who has been made Under Secretary of State for Foreign Affairs, or in other words Sir Edward Grey's right hand man in the House of Lords, has refused to take the \$10,000 a year. The patriotic concert that was to take place on Tuesday evening, was postponed. Date will be announced later.

Some young people of this vicinity had a dancing party in Mitchell Hall on Thursday last.

A Telephone Fable.

The shades of the goose and the turkey were discussing the circumstances which had attended their respective deaths.

"Did you offer any objection when first the cruel farmer laid hands on you?" sympathetically inquired the gobble.

"Yes," replied his goosehip; "I cried, 'Halloo, what's this?'"

"What did you say next?" inquired the turkey.

"I said, 'What's the matter with you?'"

"Oh," the goose replied, "I did not say anything more just then; I was wrong off!"

Tongue-Twisters.

At a Christmas party a contest was held to see which of those present could write the best alliterative "tongue-twister." The following were some of the contributions:

"A growing gleam growing green. A bleak breeze blighted the bright blossoms. Flesh of freshly-fried flying fish. Striped stripes Stephen Stringer snared six sickly silly snakes. The prize was won by the writer of the following—

Give Grimes Jim's great gut gig whip.

BEAUTIFUL HAIR, THICK, WAVY, FREE FROM DANDRUFF

Immediate?—Yes! Certain?—that's the joy of it. Your hair becomes light, wavy, fluffy, abundant and beautiful at a young girl's after an application of Danderine. Also try this—moisten a cloth with a little Danderine and gently rub it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt or excessive oil, and in just a few moments you have outlined the beauty of your hair. A delightful surprise awaits those whose hair has been neglected or is scraggy, faded, dry, brittle or thin. Danderine dissolves every particle of dandruff; cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair, but what will please you most will be after a few weeks' use, when you see new hair—fine and downy at first—yes—but really new hair, growing all over the scalp.

Danderine is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. Its exhilarating, stimulating and life-producing properties cause the hair to grow long, strong and beautiful. You can surely have pretty, charming, lustrous hair, and lots of it, if you will just get a 25-cent bottle of Knowlton's Danderine from any drug store or toilet counter and try it as directed.

Catarh Cannot be Cured

with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. It is a blood or constitutional disease, and in order to cure it you must take internal remedies. Catarrh cannot be taken internally, and acts directly upon the blood and its supply. Hence such cures are not a quack medicine. It was prescribed by one of the best physicians in the country for years, and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two produces what produces such wonderful results in curing catarh. Send for testimonials free. Take Hall's Family Pills for constipation. Sold by Druggists, price 75c. SIDNEY SMITH

MT. PLEASANT WOMEN'S INSTITUTE.

The regular monthly meeting of the Mt. Pleasant Women's Institute was held on March 7th at the home of Mrs. (Rev.) Cole. A goodly number of members were present. The meeting began by singing the "Opening Ode." The president occupied the chair. The minutes of the previous meeting were read by the secretary and approved. Roll call was responded to by recipes for cool dishes for summer. A committee was appointed consisting of Mrs. M. E. Harris, Mrs. Goetz and Mrs. McPherson for the purpose of sending remembrances to all boys enlisting from this village. It was decided to take up a collection each meeting for Red Cross work. Donations of fancy work were asked for for the next Red Cross tea, when these articles would be sold.

A humorous debate: "Resolved that the trials of a spinner are fewer than those of the housewife," was given. Mrs. W. Phelps and Mrs. Geo. Marquis taking the affirmative, while Mrs. D. McPherson upheld the negative. The judges decided in favor of the affirmative by two points.

The musical part of the programme was supplied by Misses McEwen giving piano duet and Miss Ruth Eadie a solo which was much appreciated. The next meeting will be held at Mrs. Goetz's. The hostess serves dainty refreshments.

A splendid report was given by the secretary regarding the articles shipped to Red Cross headquarters during the past month which showed that the ladies are very much interested in this work.
