SWORN DAILY CIRCULATION 4892

Saturday, October 20th, 1917.

THE SITUATION

With the arrival of moonlight the air raids, as expected, have been republic life of Canada has undoubted
Trinity.

Children's Day.

8.30—Corporate Communion for Sunday School Teachers and workhave again been used in this connection for the first time in several months. On the last occasion two of them were brought down in flames, it was thought that their future use might be abandoned. There is only might be abandoned. There is only one answer to these murderous assaults and that is the commencement

of reprisals without any more ado. Reports from Russia with regard to the recent naval engagement are somewhat conflicting. One report says that the larger ships were not in action because of revolutionary trouble. This is not confirmed but it usually a dozen or so applicants for Church stands for." does seem to be the case that the any vacancy. Only one, of course, for this whether already confirmed smaller units put up a pretty good can be selected, and those who are or not. fight against superior odds. Mean-rejected, together with their friends, while there does not seem to be much frequently become "soreheads," and to prevent the Huns from securing the man who has the patronage disthe Gulf of Finland and lat- pensing is subjected to annoyances, er of Petrograd. There has been no- and oftentimes threats, of a most thing but bad news from Russia of unpleasant and unwarranted nature. late but worse may be expected.

On the British front matters are still Robert points out, preference must comparatively quiet. A spirit of expectancy with regard to another are duly qualified."

HARRY COCKSHUTT FOR NORTH any men have, and it should be para-BRANT.

The acceptance by Lt.-Col. Harry Cockshutt of a nomination for the REGRETTED not only cause for congratulation to the residents of that Riding but also to the cause of the new govern-

Sir Robert Borden and his associates are sincerely anxious to have men surround them who are imbued,

almost shot off, he was finally obligbehalf of the cause of Empire and
human liberty. His well known munificence has not only found expression
in exceedingly large contributions to
Red Cross and Patriotic funds, but
in addition for months he bore all
the expenses of the 215th Brant Battalion of which he is honorary Colonel, besides contributing a motor
ambulance to the Canadian forces

almost shot off, he was finally obliged to go back to the dressing station
for treatment, he made no comment
to the surgeon regarding his injury,
merely remarking as he ruefully
rubbed away at his blood-stained
uniform with the other hand; "Now,
I've gone and spoiled this tunic."

Lieut. Macdonald's two brothers
have also seen active service. Of
these, Captain George Macdonald, a
graduate of Knox College and formerely Presbyterian minister at Coldambulance to the Canadian forces merly Presbyterian minister at Coldand other things. Those acts are water, is now overseas. Lieut. W not mentioned for any flattering purpose—Mr. Cockshutt always prefers unostentation in such matters—but simply as an illustration of the fact that in every direction and in all savings in Francisco and in the savings in Francisco and in all savings in all savings in the that in every direction and in all serving in France. respects he has most unstintingly lived up to what he considered a plain **EXEMPTION** 

duty.

On more than one previous occasion he has had the chance to accept public honors, but he is a man of vast interests holding the active Presidency and Managing Directorship of the Cockshutt Plow Company, Presidency of the Adams Wagon Works, Presidency of the Brantford Carriage Company, Presi ors, but in this period of crisis he they are medically unfit.

ors, but in this period of crisis he deems it a duty to respond to the call.

A large number of claims for exemption have been made by men for the life end as he undoubtedly will be, there cannot be the slightest question that at Ottawa he will support the high aims and purposes of the Union administration with that efficiency and clarity of view which have so preminently characterized him throughout his unusually successful career.

A large number of claims for exemption have been made by men for the Brotherhood of Carpenters and Joiners who has been in London in the interests of his organization, has guestion that at Ottawa he will support the high aims and purposes of the Union administration with that efficiency and clarity of view which have so preminently characterized him throughout his unusually successful career.

A large number of claims for exemption have been made by men for the Brotherhood of Carpenters and Joiners who has been in London in the interests of his organization, has succeeded in arousing new interest in the movement in the Forest City. The Great Lakes Seamen's Union has just scored another notable tri of the craft, and quite a number of members has been enrolled as the result of his good work. The longer in their judgment in awarding exemption to any man. Should they at the present time, and it is expect—will be consideration.

Organizer Tom Moore of the Uning of Carpenters and Joiners who has been in London in the interests of his organization, has succeeded in arousing new interest in the movement in the Forest City.
