

Something New

A 98c Deal—No More, no Less.

A large table will be placed in the center of our store on Friday morning, Jan. 5th, which will be filled with goods, and each and every article will be sold for 98c—no more and no less. The table will remain there for 10 days and the goods will be changed every morning, thereby providing something new every day. There will be goods placed thereon valued at \$2.50. This is the chance of your life. You are sure to get a bargain every day. Watch the table, as no one article will appear on it a second time. Call every day and get a bargain.
