Arthur Burns, the celebrated tenor soloist, of Detroit, spent Sunday in this city, the guest of his friend, James Rhody, Wellington St. Mr. Burns sang "Ave Marie" at the morning service in St. Joseph's Church, and in the evening he rendered "O Salutaris" with the grace, fluency and power characteristic of his solo work.

Little Russell Paxton, who lost his leg in the railroad accident on Thursday, is doing well, and his recovery is now looked upon as quite likely.

Rev. Mr. McGillivray, M. A., preached the anniversary sermon in the First Presbyterian Church yesterday to large congregations. His address on both occasions were eloquent and edifying. TWO FALSE ALARMS.
Late Saturday evening Watchman Coyle sighted a heavy smoke issuing from the chimney over Austin & Co.'s store. After watching it for a while he turned in a still alarm. Shortly afterwards about 11:55, Butcher Ford turned in an alarm by phone, he having noticed the smoke also. (The store burning) some papers and rubbish in the furnace. About an hour later Coyle sighted what appeared to be another blaze near the intersection of King and Adelaide streets. The department turned out only to find that the blaze had been caused by burning waste, pulled from a hot box on a freight.

SUNDAY DROWNING

Two-Year Old Stanley Darling Falls in the Creek

And is Dead Before Help Can Reach Him—An Inquest to be Held.

Last evening about 7:10 o'clock two boys, Stanley Darling, aged 12, and a 14-year-old boy were running along the breakwater back of J. W. Miles block when Stanley Darling fell into the creek and was drowned before help could reach him. The 14-year-old boy, who was with him, saw the accident and happened to witness the accident from the foot bridge gave the alarm and a crowd soon collected. Thos. Daily was sitting in the Hotel Garner at the time and he went over, securing a boat he assisted in searching for the body. About 7:50, he managed to locate it and brought the body to the surface with a pike pole. It was taken ashore on the park and an effort made to restore life but without avail. The little fellow was the third son of Carpenter Thomas Darling, of Queen street. Mr. Darling was away in the country but word was sent. Meantime the body was removed to Jahnke's undertaking establishment.

This morning a jury was empaneled by Coroner Bray and Detective McGregor. They viewed the remains and then adjourned to-night in Jahnke's establishment. The following are the jury: W. E. Hamilton (foreman), James A. Gordon, G. Houghton, Richard Dougherty, Gamble, James Miller, John E. Ainsworth, A. T. Fleet, James Munson, W. Jahnke, Edward Griffin, John Glassford and Walter Houston.

IT IS NOW DENIED

That Kruger has Made any Overtures for Peace.

London, May 21.—There is no truth in the report that President Kruger has sued for peace, and no communication from him on the subject is expected in the immediate future.

The proximity of peace, according to the government point of view, will remain a matter of military progress. The consensus of opinion at the government offices is that the Boer officials will exercise every effort in the United States before Kruger sues directly, though Lord Salisbury himself does not believe that the delegates will accomplish much in America.

THIS IS OFFICIAL.

The following despatch from Sir Alfred Milner, British high commissioner in South Africa, to Joseph Chamberlain, was received at 1:30 p. m. to-day: "Barton telegraphs from Transvaal that Kruger was relieved May 17. 'The relieving column was a composite force under Col. Mahon of about 2,300 men.'"

ROBERTS REPORTS PROGRESS.

The war office has received the following message from Lord Roberts: "Kroonstad, May 21.—Buller reports that his advance will be delayed for a few days on account of the way in which the railroad has been destroyed."

"Rundle reports that Ladybrand has been occupied."

"Hunter is pushing up the railway with supplies for the Mafeking garrison, and is arranging a hospital train for the conveyance of the sick and wounded to Kimberley."

"Methuen has left Kroonstad to co-operate with this force. Col. Baden-Powell will be made a major-general. Mafeking was actually relieved by Col. B. T. Mahon, who served in the Dardanelles and Nile expeditions with Gen. Kitchener."

TO DEFEND THE BURG.

Lorenzo Marquez, May 20.—The defense works of Johannesburg are progressing rapidly. Six guns brought from the front have been emplaced in a fort, while trenches and trenches intersect Katrand near Klip Riverberg behind the race course.

WILLIE LEARST IN TROUBLE.

P. C. Groves this afternoon took Willie Learst into custody. He is accused of getting into Massey & Knight's grocery Sunday evening and pilfering money from the till. He admitted getting 40 cents and surrendered a quarter which he had not spent. Young Learst is the boy who gave the alarm about Stanley Darling falling in the creek.

Asher Hind, of Wood's survey, fell from the top of one of the additions Robert Smith is building to his barn, a distance of 20 feet. The unfortunate man was picked up and medical aid summoned. On examination it was found that the left thigh and both arms were broken besides other injuries. Mr. Hind lies in a precarious condition.

THE A. O. U. W. AT CHURCH.

The local lodge of the A. O. U. W. marshalled by Capt. Sim Smith, attended the Park St. Methodist church last evening. The pastor, Rev. Dr. Hannon, preached an able and appropriate discourse.

Dr. Hannon selected as his text the draw all men unto me. From the words, "And I, if I be lifted up, will draw all men unto me," the speaker applied himself to Christians and Christian organizations of the present day and their value and influence. He welcomed the visiting brethren and addressed them on the high aims of their order.
