### THE ACADIAN.

WOLFVILLE, N. S., FEB. 5, 1897.

#### Local and Provincial.

We are indebted to Mr Jehiel David, son, of Gaspeau, for late copies of Kansas papers.

Some of our young folk have been doing a little snow-shoeing of late. There is an abundance of the needful.

Quite a number of Kentville skaters were at Aberdeen rink last Wednesday evening. The skis town has no rink this winter.

We would again most respectfully urge our correspondents and other friends of our paper to send us in news from their several localities.

The civic elections in Kentville on Tuesday, resulted in the return of John Carroll, E. B. Cogwell and John Rodden for Councilors. Mayor Masters was re-elected by acclamation.

A meeting of the Board of Governors of Acadia University was in session here yesterday. We understand that Rev. Mr. Trotter has accepted the position of president offered to him some months ago.

A bill was introduced last week in the local legislature by Mr Wickwire for the incorporation of the "S. P. Benjamin Company, Ltd." This company proposes to carry on a general lumbering and milling business.

A musical and literary entertainment and pie social will be held in Temperance Hall, Greenwick, on Tuesday evening next. The affair will be under the auspices of Maple Leaf Division, S. of T. and no doubt a pleasant time will be had.

Company 9's assault-at-arms has been postponed until Friday evening, Feb. 19th. The boys have been drilling faithfully, and a graceful and interesting exhibition may be expected. The date should be remembered, as a full house is deserved and expected.

Mr Harold deWolfe, recently in the D. A. R. office at Kentville, died suddenly on Friday last and was buried the same afternoon. His death was caused by a severe attack of diphtheria. He was well known in Wolfville and was very popular. He was the son of Mr A. A. deWolfe, of Kentville.

MONEY TO LEND ON MORTGAGE.—Apply to E. S. Crawley, Solicitor, Wolfville, N. S.

The electoral lists for Ward VIII outside the town of Wolfville are posted at the following places: At Port Williams station; R. C. Forsyth's store, Gaspeau; J. and O. W. Trenholm's store, Grand Pas. Persons whose names are omitted from the list can have them put on by applying to either of the revisors before the 20th inst. The revisors are, J. W. Caldwell, D. W. Benjamin and Dr. H. Chipman.

The Avonian Cycling Club, drove to Wolfville last evening, and had a dinner at the American House. The affair was given in honor of Mr H. L. Dominion, barrister, who leaves Wolfville shortly to go to Digby, where he will practice in the future. Host Dominion provided a beautiful spread, and a most enjoyable time was spent with songs, speeches, etc. After the banquet was over the boys adjourned to Aberdeen rink and played a hockey match with the Wolfville hockey team. Owing to our early going to press we are unable to give the result of the game.

#### Local and Provincial.

The students are busy with "exams" this week.

H. H. Wickwire, M. P. P., has the thanks of the ACADIAN for parliamentary blue-books.

Mr Rupert Caldwell brought from Gaspeau last week the skin of a wild cat which was shot in a hen-house belonging to his brother at that place.—*Berwick Register.*

An effort is being made to form a co-operative coal company in town. We are informed that quite a number of shares have been sold already. Mr W. S. Higgins is promoting the enterprise.

We have been enjoying steady winter weather during the past two weeks. The roads are in an excellent condition, and the merry jingle of the sleighbells indicates that those who possess teams are taking advantage of the good sleighing.

Sch. David Borden, from Kingsport for Havana, before reported to Outer Harbor, Me., full of water, will probably be hauled out on the railway at Machiasport for repairs to forefoot keel and stem. Her cargo of potatoes is frozen and will be a total loss.

Holmes S. Chipman, Esq., of Sydney, N. S. W., youngest son of the late Rev. Wm. Chipman, who is doing a very large commercial business in Australia, has just presented Acadia University three vols. entitled Picturesque Australia. The books are large, and the set weighs about fifty pounds, and are magnificently bound in Turkey Morocco and gold, contain more than eight hundred engravings and give a complete history of that interesting country from its discovery. His brother, Judge Chipman, of Kentville, and sister, Mrs D. O. Parker, of Wolfville, are also the recipients of the same for New Year's presents. Mr Chipman was one of the leading men of the enterprising publishing company. The work is the product of much labor, and an immense expenditure of money, and a triumph of typographical and artistic skill.

For SALE.—Upholstered Family Sleigh, Inquiry of K. Z. Chipman.

Wolfville has had another fire. This time it was a barn on what is known as the J. I. Brown property, owned by Mr R. W. Stone. The fire was caused almost simultaneously by a number of persons, but the ball was rang by Mr Knowles, a student boarding at Mrs Kenneth Bishop's. The women were on the scene promptly, but the fire had considerable the start of them, it having evidently been well under way before being discovered. Their efforts to save the barn were therefore unavailing, so they directed their energies to getting the fire under control, and saving the house on the property, which is separated from the barn by only a few feet. The house took fire, but was burned only slightly, the damage being confined to the end wall, next the barn. The barn was totally destroyed, nothing remaining but a few charred sills and uprights. The buildings were both insured, but owing to the property being unoccupied, the insurance cannot be collected. The origin of the fire is a mystery.

**Married.**

Considerable interest was manifested in the election of town councillors on Tuesday, and as the day was an exceedingly pleasant one a large number of the electors visited the polls. The number of votes polled was 192, the most ever polled at any election since incorporation. The contest was between Dr. Bowles, Messrs Chase, Sawyer and Porter, as Mr L. E. Harris' card last week announcing that he would not accept, put him naturally out of the fight. The first three gentlemen named above were elected, the vote standing:

Bowles, 128; Chase, 149; Sawyer, 129; Porter, 60; Harris, 9.
