WOLFVILLE, NOVA SCOTIA, FRIDAY, APRIL 26, 1920.

\$1.50, payable in advance.

Boy Scout Entertainment

BEST EVER PRESENTED BY THE LOCAL TROOP

The ninth annual entertainment of the Wolfville Troop of Boy Scouts was presented at the Opera House on Monday evening to one of the largest audiences ever seen at the Opera House. Every seat was occupied and a large number were forced to stand. The entertainment was the best ever given by the Boy Scouts and was much enjoyed by those present. Great credit is due to Scoutmaster Brown and Mrs. Brown for their painstaking efforts to make the entertainment the success it was. The success of the entertainment was due in a great measure to the assistance of the Port Williams Scouts, who presented the play, "A Couple of Scamps".

The program opened with an overture by the Scout Band, after which the scouts stood to attention on the platform, repeated the Scout Promise, and sang the Doxology, God Save the King and O, Canada. Two choruses, "The Scout Song" and "The Irish School Master", were sung heartily by the boys. The drill and song, entitled "Upsetting Gravity," was also well done and much enjoyed. Second class badges were presented to Gerald DeWolf and Clair McKenna, and first class badges to Donald Munro, Tom Tamplin and James Northover. The shadow pantomimes were very amusing and drew forth loud applause from the audience. Doane Hatfield gave a recitation which was well rendered.

A pleasing feature of the program was the presentation of proficiency badges. Following are the names of those who received badges: Harold Archibald, Carpenter, Electrician, Engineer, Starman; William Cutten, Electrician, Gardener; Reg. Delaney, Gardener; Vernon Graham, Electrician, Musician, Photographer; Colin Munro, Electrician, Starman, Gardener, Musician, Ambulance; Ralph Perry, Gardener, Musician; Reg. Smith, Engineer and Gardener; Tom Tamplin, Carpenter, Starman, Gardener, Dairyman, Horseman; Malcom Wallace, Gardener, Ambulance, Dairyman, horseman Cyclist; Robt. Regan, Electrician, Ambulance, Dairyman; James Northover, Ambulance; Walter Pick, Electrician and Dairyman; John Johnson Gardener, Vincent Schofield, of White Rock, was presented with sixteen badges giving him a total of 40 Proficiency Badges, more than any other scout in Canada.

The Scoutmaster's Warrant was presented to Robie Murphy, of Port Williams, the presentation being made by Dr. W. L. Archibald. Avery Bezanson, of Port Williams, was also to have received the Scoutmaster's Warrant, but was unable to be present.

On behalf of the Wolfville Division, S. of T., Mr. B. O. Davidson presented Mr. Brown with a silver cup to be given to the best all-round scout in the Wolfville troop. This cup is to be competed for annually.

A number of lantern slides were shown which were most interesting. Scenes were shown in the various camps that have been held, showing the growth of the camp from its inception. Two more selections were given by the Scout Band which was much enjoyed. This band, under the

Council of the Board of Trade Meets

A successful meeting of the Council of the Board of Trade was held at the Council Chamber on Monday evening, with President Phinney in the chair and all the members present except Messrs. Wright and Hsley and Dr. Elliott.

The meeting evidenced that the Board had made a wise choice in President Phinney, who is a good presiding officer and on Tuesday evening gave unmistakable evidence that under his direction the Board is destined to again become a powerful factor in the progress of the town.

The matter of harbor improvements was discussed fully and the Secretary was instructed to write the Public Works department at Ottawa and ascertain just what had been done and what plans were in contemplation in the direction of work being done here. A strong committee was appointed to gather all information possible and report at a future meeting of the Council.

The proposition to again establish a golf course was brought up and discussed. A committee made up of Messrs. J. E. Hales, G. W. Munro, T. S. Sanford, H. E. Calkin, F. E. Wheelock was appointed to take the matter in hand and report progress at next meeting.

Town improvement, came in for considerable attention and Messrs. B. O. Davidson, H. E. Calkin, Capt. John Pratt, A. M. Wheaton and David Thompson were appointed a committee to look after is important department of civic activity.

The Council discussed the recent action of the town authorities in disposing of the petition of residents of the section adjoining the town on the East seeking an extension of town limits. The opinion was freely expressed that such action was not in the best interest of the town, and steps were taken looking to a reconsideration of such action.

Fitting reference was made to the death of the late R. Earl Burgess, a valued citizen of Wolfville and for many years an active member of the Board of Trade and its Council. It was ordered that a letter conveying the sympathy of the Board be sent to the sorrowing widow and family.

The Council meets again next Tuesday evening when other important matters will be introduced.

The Board of Trade exists to promote the best interests of the town and invites the co-operation of every citizen. Any suggestion for the making of a bigger, better and more prosperous town will be gladly received, and any move in that direction will have the hearty support of the Board.

leadership of Mr. H. W. Phinney, is now one of the best bands that Wolfville has ever had.

The last number on the program was the play entitled "A Couple of Scamps", which was presented splendidly by the Port Williams Scouts. All the parts were well taken but especial mention should be made of the acting of Emery Gates and Mason Cogswell. The others who took part were John Anderson, Curtis Newcombe, Cyril Kennicly and Don Ells.

A Missionary Jubilee

The Golden Jubilee service of the Woman's Missionary Society held in the Baptist Church last Sunday evening was attended by an audience that taxed the seating capacity of the auditorium.

In commemoration of the occasion, the platform and surroundings were beautifully decorated with golden colored bunting in a background of green, and a prominent place were displayed the dates 1870 and 1920.

Mrs. Grant, President of the Society, presided in the usual graceful manner. After the opening exercises, in which Mrs. Martell offered prayer, Mrs. J. W. Manning gave a very interesting account of the work of Mrs. Norris in founding thirty-two missionary societies among the Baptist women of the Maritime Provinces, the first of which was in Canso. This Society, organized June 18, 1870, was the first women's missionary society of any denomination in Canada, and the first among Baptist women in the world.

Mrs. Manning also told of the work in heathen lands that has been accomplished during fifty years as a result of the founding of these societies, which have later been united under the name of the Women's Baptist Missionary Union. Thirty-five women missionaries have been sent out, houses built for them, their work supported, and a \$25,000 hospital erected.

Miss Andrews, a former Secretary of the Wolfville Society for a number of years, read a paper giving the principal facts of its fifty years history. This had been written by Miss Margaret Bess, the only survivor of the ten charter members, who, in 1870, after listening to the inspiring words of Miss Norris in the parlor of Mrs. J. W. Morse, on Main St. had banded themselves together to work for missions.

Mrs. Smallman gave an account of the missionaries who have gone out from Wolfville, and of the money the local society has contributed, contrasting the thirty-two dollars raised during the first year of organization with the six hundred dollars raised in 1919.

Referring to the study of medical missions carried on this winter by the Mission study class, Mrs. Grant announced that the next number on the program would emphasize the appeal for medical missions. This was very effectively done by eight girls of the B. Y. P. U. dressed in costumes representing different heathen countries, and was impressively followed by the singing of the Consecration Hymn by the Ladies' Chorus of the Seminary, which had previously rendered a very beautiful selection.

After a few appropriate remarks by Dr. MacDonald, the meeting closed with the singing of the Doxology.

The offering, a large proportion of which came in Thank Offering envelopes contributed by the members of the Society, amounted to \$142.67. Of this sum fifty dollars was given by two gentlemen to constitute their wives members of the society.

Read the locals next week and you will see more particulars of the big dance to be given by the Daughters of the Empire on Tuesday, May 4th.

Schedule Annapolis Valley Baseball League

The following is the schedule of games to be played in the Annapolis Valley Baseball League, the home team in each instance being placed first:

June 9 Wolfville vs Kentville
 9 Bridgetown vs Middleton
 16 Annapolis vs Bridgetown
 18 Kentville vs Middleton
 23 Annapolis vs Wolfville
 25 Bridgetown vs Wolfville
 25 Middleton vs Kentville
 July 9 Middleton vs Annapolis
 14 Kentville vs Bridgetown
 14 Wolfville vs Bridgetown
 21 Bridgetown vs Kentville
 21 Annapolis vs Kentville
 23 Wolfville vs Middleton
 28 Bridgetown vs Annapolis
 30 Middleton vs Wolfville
 Aug. 4 Kentville vs Annapolis
 4 Wolfville vs Annapolis
 11 Middleton vs Bridgetown
 6 Kentville vs Wolfville
 11 Annapolis vs Middleton

"Girls"

"Girls" is a farcical comedy by Clyde Fitch. It will be presented by members of the Acadia Seminary Dramatic Society under the direction of Miss Mae Churchill Deane, College Hall, Friday evening, April 23, 1920.

In three acts are portrayed the coquetry, the romance-loving spirit of the feminine mind; and though men are not mentioned in the title they have much to do in the working out of the plot.

Come and see how fate's tangled web becomes untangled; how these avowed man-haters actually confess they at last love some man and all quite succumb to the charms of the "Lords of Creation".

Watch for the large posters and further notices. The admission will be at popular prices.

Aeroplane For Acadia

Ottawa, April 12—The Dominion Archives expect to forward two airplanes captured from the Germans, to the Maritime Provinces this month; one will go to Mt. Allison and the other to Acadia College. Arrangements for distributing the captured guns are going on rapidly, and later in the season guns will be sent to St. John, Halifax and other places.

Don't make any other engagement for Tuesday, May 4th, because that is the date of the dance to be given by the Daughters of the Empire.

Social Notes

Mrs. David Thompson entertained a number of her lady friends at Afternoon Tea on Monday.

Mrs. A. C. Johnson entertained the Ladies Bridge Club and other friends on Tuesday evening, having six tables in all.

Mrs. Russell Forbes gave a miscellaneous shower on Tuesday evening for Miss Myra Chambers, who received many pretty and useful gifts.

Mr. David Thompson entertained a number of his gentlemen friends at Bridge on Thursday evening of last week.

Mrs. A. M. Wheaton was the hostess at a Ladies' Bridge, seven tables, on Thursday evening of last week.

Death of Victor Roscoe

The death of Mr. Victor L. Roscoe, of this place, occurred at the home of his brother-in-law Mr. Ray Bennet, of Halls' Harbor, on Saturday last. Mr. Roscoe, who was 35 years of age, was for a number of years successfully engaged in banking, holding many important positions. On account of failing health he was obliged to give up work and went west in search of recuperation. In June, 1918, he returned to his home in Wolfville. He was a prominent member of the Masonic order and his funeral, which was held on Tuesday afternoon at Upper Canada, was with Masonic honors conducted by St. Georges Lodge.

The work on Mr. E. C. H. Young's building on Main Street is making very satisfactory headway and has already progressed sufficiently to indicate that when completed the building will be an ornament to the street and a credit to its enterprising proprietor. Mr. C. H. Wright has the contract and the work is in charge of Mr. E. S. Langille. Mr. J. Graham Johnson, of Kentville, is the architect. It is expected that the premises will be ready for occupancy within two weeks, when Mr. Young will have in "The Palms" one of the finest ice-cream parlors in the province.

The C. P. R. boat, Prince Albert, which has been laid up at Parrsboro all winter, is now being overhauled and fitted up for the season's work. A new tail shaft is being made at New Glasgow, and if repairs go along well she is expected to go on the Parrsboro-Kingsport-Wolfville route about the first of May.
