## Fredericton Team Almost Won

But Eke Johnson's Spectacular Play in Ninth Cut Off All Chances of Victory—Moser, Late of Woodstock, with St. Louis Americans—Former N. B. and Maine League Players on New Diamonds.

Machias, Me., Sept. 6.—Fredericton lost to Calais yesterday afternoon at the opening day of the fair by a score of 5 to 3. The game was slow and uninteresting, a poor field making good playing impossible. Calais secured a lead in the third inning, making three runs on a combination of hits and errors. Fredericton scored one in the ninth and had men on second and third with one out when Calais made a double play on a wonderful throw to the plate by Johnson after catching a fly in deep centre. Batteries, Duval and Murray; Mitchell and Wait.

Machias, Me., Sept. 5.—Manager Murchie's fast Calais team defeated Fredericton, N. B., at Machias fair this afternoon in a good exhibition of baseball by a score of 5 to 3. The score:

**SOME LOCAL FAVORITES.**  
Players Well Known Here Finishing Season on New Diamonds.  
Players who have been playing in the New Brunswick & Maine league this season and others who are well known to the fans of the provincial baseball centres are finding their way to new pastures.

Frank Harrington, who made a remarkable record pitching for Fredericton and other teams in this section last season, has been released by the Milwaukee team of the American Association and is back again in the Mill League, the fastest independent organization in the vicinity of Boston. On Saturday last he pitched for the Hopedale club, the tall enders in the lineup, and won his game. He was touched up for eleven hits by the Whitinsville hitters, struck out five men, allowed two bases on balls and struck one man, winning by a score of 7 to 5. He kept the hits scattered in all except the fourth inning, while Dick Howard of the Lawrence team, who twirled for Whitinsville, was hit hard in the second inning, six runs being scored by Hopedale in that session.

Jim O'Donnell, who was playing in the Mill League before he joined the Woodstock team this season, is back in that organization again and playing first base for Hopedale, the initial sack being the position to which he is most accustomed. He fielded faultlessly but in the batting line all he produced was a sacrifice hit.

Roy Good, another former Woodstock player who did not show his old time form for the Carleton county town's team this year, is now with the Milo A. C. team of Milo, Me., and did the catching for that club against the Dover-Foxcroft club on the latter's grounds last Saturday.

Ralph Good, who played here last year with the Woodstock team and was in the south with the Boston Nationals this year, essayed to do the twirling for the Milo team while McLeelan of the old Bangor team of the Maine State League, was a member of the club. The Dover-Foxcroft club won as they pleased, the final score being 14 to 3.

**Tankersley in Hard Luck.**  
Tankersley, the player from the Virginia League, who was with the St. Stephen club for a time this year, afterwards drifted to the Canadian league, played with the Hamilton, Ont., club at shortstop, the position fielded by Tom Grieve, the Boston boy who was sent in mid-season to the Philadelphia National league club and afterwards traded to Cincinnati.

**Moser With St. Louis Browns.**  
Moser, the pitcher for the Woodstock team for a couple of weeks and who was recalled by the Boston Americans, has been sold to the St. Louis club of the American league. An Associated Press dispatch regarding the game at St. Louis on Sunday has the following:  
"Moser, a new comer, who was recently grabbed by the Browns from the Boston Americans, opened on the mound for St. Louis. His work was not as bad as his support. The fans were quick to realize this, too, and gave Moser a big hand when Wallace sent him to the bench and called for Mitchell."  
The Detroit team finally won by a score of 9 to 3.

**Warwick and Duggan in Game.**  
The race in the New England league is getting hotter and hotter and it is impossible to pick a winner although the season closes on Saturday.  
On Labor Day Lowell won the morning game, Wolfgang pitching his 26th victory for Manager Gray's team, but in the afternoon the Lawrence club got after Mayhew and he was finally retired at the end of the 8th inning. Pat Duggan was put in as a pinch hitter, but didn't hit safely and Warwick pitched the ninth inning, allowing one hit and keeping the Lawrence team from scoring.  
While the Lowell team was dividing games with Lawrence the Worcester team won two games and the earnings, yesterday morning of the clubs in the league follows:

	Won	Lost	Pts won
Lowell	75	44	630
Worcester	72	45	615
Lawrence	63	53	543
Fall River	57	54	512
Brockton	57	59	491
Lynn	56	59	487
New Bedford	42	71	372
Haverhill	37	74	332

**PERTINENT COMMENT ON SPORTING TOPICS OF TIMELY INTEREST**

The Fredericton team must miss Manager Duggan, Capt. Ganley and steady playing.

The Giants will make a great fight for the first place, depending on Marquard to land the honor.

Rube Waddell has won 17 and lost 10 games for the Minneapolis leaders of the American association.

Taking everything into consideration, Hal Chase has made a good manager to get his team into the fine place it now holds.—Boston Globe.

Harold Danzig will return to the American league, St. Louis getting the player by draft. As Fred Lake was the one to suggest taking him from New Bedford, he is anxious to see the lengthy player in another trial in fast company.

Billy Murray, ex-manager of the Philadelphia Nationals, now scouting for the Pirates, declares that never in the history of the game was major league material so scarce. He insists that fully 90 per cent of the new blood bought this year will fail to make good. Most of the collegians, he says, will not survive next spring's training trips.

Manager Hughie Jennings has made an announcement which practically means that he has given up the battle for the pennant in the American league. He has said that the Tigers must have an entire new pitching staff, and after a conference with Pres. Navin, telegrams were sent to several clubs from which Detroit has recently bought prize pitchers for delivery at the end of the season to send them on at once for immediate work.

**THE GRAND CIRCUIT.**  
"Plow Horse" Won His Fourth \$10,000 Purse of the Season.

Hartford, Conn., Sept. 5.—The Grand Circuit horses, as part of the big Connecticut fair, appeared before an immense crowd at Charter Oak yesterday.

The feature, the \$10,000 Charter Oak, was only played for R. T. C., but the impressive manner in which the crack stake trotter of the season marched through the stretch faster than 31 seconds each trip caught the crowd.

The time, 2:09 1/2, 2:07 1/2, 2:08 1/2, while not fast for the former farm horse, was excellent for Chatty Di-rect, who finished second twice, for Gordon Todd and for Gay Audobon.

R. T. C. has now won first money in four of the five \$10,000 purses already decided and is certain to head the list of winning trotters this year. His owner, Edward Thompson of Northport, Long Island, saw him race for the first time this afternoon.

Geers was behind The Abbe when the 2:04 pacers came on the track and the unbeaten champion of 1910 scored his first victory of the season. The son of Chimes needed the firm hand of Geers for Ella Ambulator races well for Cox, being a bang-up second in 2:05 1/2, and it was a mighty close decision in 2:06 in the third heat with The Abbe taking a hard drive.

Geers and his Readville winner, Peter Red, had a tough time in landing the 2:16 trot. Eva Tanguay, as last week, took the first heat and forced him to go in 2:11 1/2 in the second. Sue D., capably driven by Ed Avery, then cut into the game and stayed to the limit, winning the third and fifth heats, losing the fourth and sixth only by a head.
