MARKETS and FINANCE

TORONTO MARKETS.

Receipts of live stock at the City Market, as reported by the railways, since last Friday, were 44,000, comprising 647 cattle, 287 hogs, 224 sheep, 43 calves and 21 horses. There were few good cattle, the bulk being of the half-bred class. A trade, notwithstanding the light run, was dull, with prices easy all round for cattle. Exporters—None offered, and none apparently wanted; at least, that was the statement of two of the leading dealers. Space on the ocean boats seems to be very scarce at present, and likely to be for a week or ten days. Butchers—Instead of a meat famine, there is an over-supply at present, last week's heavy run of cattle being more than needed at one time. If there should be another large supply come on the market, look out for another slump in prices. Prices were even lower to-day than at the Junction on Monday. A few very choice cattle, the pick of the best lot of butchers, sold at 85 per cent, while the balance sold for a little over \$4 per cwt. Choice picked lots of butchers were quoted at \$4.75 to \$5, but few got the latter price this week; loads of good, \$4.40 to \$4.65; medium, \$4 to \$4.30; common, \$3.50 to \$3.85; cows, \$3 to \$3.85; canners, \$1 to \$1.50 per cwt. Feeders and stockers—There were no feeders or stockers offered. Milkers and springers—About thirty milkers and springers sold at \$30 to \$60 each. Veal Calves—About 50 veal calves sold at \$4 to \$6.50 a head. Sheep and Lambs—Sheep sold at \$4 to \$4.50; lambs at \$3.50 to \$5 per cwt.; rams and cull sheep at \$3.50 to \$4.00.

Farmers' Market. The offerings of grain to-day were larger than of late. Shipping is good, and this accounts for the larger receipts. Wheat is unchanged, with sales of 300 bushels of fall at 98 to 99c, and of 100 bushels of goose at 93c. Barley is unchanged, with sales of 700 bushels at 70c. Oats are easier, 600 bushels selling at 56 to 57c per bushel. There was a large quantity of hay in to-day, between 50 and 60 loads, and prices ruled at \$19 to \$21 a ton. One load of baled straw sold at \$17 a ton, and one at \$13.50. Dressed hogs are steady, with light quoted at \$7.25 and heavy at \$7. SHOT WOMAN. Toronto Man Wounded and Lost and Tried to Kill. Toronto, Ont., Feb. 19.—(Special.)—Because she refused to listen to his wooing, Robert Fleming attempted to kill Miss Florrie Smith, a waitress in the Richeleur restaurant, King street west. Fleming had formerly been employed in the establishment, where he had paid the young woman considerable attention. At about 11 o'clock this morning he visited the place, and after a few words with her, drew a revolver and deliberately shot her. The bullet inflicted only a slight wound in the victim's neck. Fleming has been drinking heavily of late.

BROUGHT TO HAMILTON. Magistrate Love suspended sentence on Alfred Roach in London yesterday to two charges, but he was held there for this city, and yesterday Detective Blesley led to bring him here for trial on a charge of snatching Miss E. Stocks and Bonds

(From A. E. Carpenter, Stock Broker, 102 King Street East.) NOON STOCK LETTER. (Received by A. E. Carpenter from Ennis & Stoppani.)

New York, Feb. 19.—The market during the morning displayed some strength in various issues. Affairs were more cheerful abroad. A western wire house was a good buyer of Northern Pacific and Union Pacific. St. Paul and Reading, while other buying of St. Paul, Union Pacific and Steel appeared to be in December and January. The metal absorption of Copper was in evidence. It is understood that Boston has recently been selling long Copper. Weakness of copper metal may be due to resales of speculative purchases made by foreigners in December and January. The metal was very weak abroad to-day. Producers, however, claim heavy sales this month, and steel interests report steady improvement. B. R. T. is still held in check by the fact that the killing of the 5-cent fare bill at Albany simply means relegation of the question to public service commission whose attitude is unknown. The situation is gradually shaping for betterment, but there is enough uncertainty to favor purchases on fair concessions.—Ennis & Stoppani.

HARRY K. THAW MAY SUE EVELYN FOR A DIVORCE. (Continued from page 1.)

Prisoner at Matteawan Said to be Wild and Jealous Because of Alleged Remarking by His Wife in Divers Public Places. New York, Feb. 19.—The story that Harry K. Thaw, now in the asylum for the criminal insane at Matteawan, has been furiously jealous of his young wife, Evelyn Nesbit Thaw, for some time, and that he is about ready to bring an action for divorce, was revived to-day when a number of people who were dining on Monday night in the Cafe Boulevard said they saw Evelyn sitting late there with Edward R. Thomas, the eliminated banker and associate of Charles W. Morse. E. R. Thomas made prompt denials of the story that he was at the Cafe Boulevard with little Mrs. Thaw. Thaw hastened to deny the tale herself. People who saw the couple that looked so much like Mrs. Thaw and Mr. Thomas agreed that they might have been mistaken, but they insisted that the double resemblance was remarkable. Those who made the assertion that Thaw is wild with jealous rage up in Matteawan said that he had heard that his wife had not immured herself to her apartment while he was in the Tombs prison or since he has been locked up in the insane asylum. It was said that several people had told Thaw that his wife had been seen dining with friends, and that these stories had so worked on him that he intended to effect a complete separation. The statement was made also that Thaw's mother, Mrs. William Thaw, his sister, Mrs. George L. Carey, and his brother, Joseph, are working on him to break his marriage tie with the little woman whose story on the witness stand, unshaken by the astute Mr. Jerome's most determined attacks, did much to save his life.
