**TWO YEARS IN THE PENITEN-

In the District Magistrate's Court

upon the seriousness of the charge to
which prisoner had pleaded guilty, and
that although he had made enquiry as to
his past life he could find nothing that
would justify a short sentence, but in
view of the fact that he was a young man
the sentence would be one of two years in
the penitentiary.

No One Need be Bald.

Baldness is of two kinds—premature bald-
ness and that which is the result of old age.
However, both are curable. No man desires to
be bald or is proud of his baldness. Especially
in the prime of life. What one must endeavor
with a good grace as possible, but where it is
unnecessary will be refused until all hopes are
gone. Premature baldness is unnatural and
absolutely unnecessary. I am indeed a real
skin doctor, on any points and so on in the prime
of life will remain in that deplorable state,
when by the use of proper remedies and the
observance of the laws of health and nature,
they can again become the possessors of as fine
and luxuriant heads of hair as they desire by
using Rinkler's Hair Tonic. Sold by B. W.
