short of \$200,000.

It is reported that Lord Wolseley advises that the campaign be continued against Osman Digma, in order to prevent the rebels

PARK HILL DISTRICT CONFERENCE. Soston, aged 69. Mr. Archibald Dewar, late Inspector of marching north upon Berber, and that a deachment be sent to relieve the garrison at Public Schools for North Huron, died at Sea-forth on Tuesday morning, aged 57. Kassala. Gen. Stephenson has sent a telgram to

London strongly urging that an advance be made from Trinkitat. The Marquis of Hartington, Secretary for War, in reply ordered an immediate advance. He also Mr. Thomas Linkiater and Mr. Edmond nell, prominent business men at Belleville, are dead. The former died on Saturday night asked that the Europeans killed at Teb be om a long standing ailment. buried in a fitting manner.

Osman Digma, the leader of the rebels in the vicinity of Suakim, is exciting his fol-lowers by quoting the Koran, saying El Mehdi is divinely inspired and requires little food and clothing. The rebels present a formicepted by the Methodist Enisconal Church n Canada. is not only unjustifiable but is ositively injurious to the well-being of the dable appearance. They will be beaten, but t will require the best kind of men to do so. Large bodies of rebels can be seen moving in the direction of Osman Digma's position.

El Mehdi is described as forty years of age. L'e is a man of middle stature; his colour is "café au lait clair"; his beard is very black, and he bears upon each cheek three Views of a European Physician. Dr. M. Souvielle, ex-Aide Surgeon of the arallel scars. He is extremely thin, for he isciplines himself by very rigorous fasting. French Army, and founder of the Internaional Throat and Lung Institute, was inter-Before setting out on his new career he dwelt in a hole in the ground, where, he says, he viewed yesterday on his return from Europe by a News representative at the American hotel. The doctor received his visitor corwept continually over the universal corrup-

dially, and as the reporter knew the doctor Col. Burnaby telegraphs that three courses was well'acquainted with European countries, are open to the English. First, to recapture Tokar, chastising the enemy if enthought he would gain some information as to the situation of political as well as com-mercial affairs in Europe. Fokar, chastising the enemy if en-countered; second, to try and attack Osman Digma and disperse his forces; third, to ship roops to Massowah and attempt to relieve After some very interesting conversation on the subject of German and French armies and other European topics, the subject of the

curred yesterday morning, sweeping away the Union hall block, a four-storey building, Kassala, and after doing this to march to Khartoum. He advises the use of the Indian troops stationed at Aden. Two costing \$125,000, containing four stores, a basis, hotel, and theatre, burning to the ground three frame buildings, and half de-stroying two more. Four lives are reported lost, but the body of only one has been found hundred thousand rounds of ammunition will be ordered for Egypt. Advices from St. Paul de Loanda give par-

ticulars of a fight between the whites and natives at Meulla. The fight arose through "Yes. First to visit the hospitals and the agent of a Dutch factory employing Kroo boys, to which the natives objected. Eigh eep up with the advancement of medical Eight ence, and as I am opening new institutions hundred natives attacked the factory, which every year, to bring over medical gentlemen who are members of the Royal College of the agent defended with four cannon and 100 nen. A large number of natives took shel-Physicians and Surgeons of London. England, to assist me; by so doing we are placed in a er behind the powder magazine. The whites fired into the magazine, exploding it, and sition to compare with any similar institute orty natives were killed.

The report that El Mehdi is marching "Well, how long are you going to continue oward Khartoum is confirmed. His inaction after the victory at El Obeid is explained by Well, sir, my ambition is to have two the fact that finding that the Sheikhs of the principal tribes wished to go home with their oils in order to attend to the harvest, he proclaimed a holy truce during the months of Moharren and Safar, ending on the date of the anniversary of the birth of the prophet. That time having expired, the campaign has been resumed.

The Government have ordered Admira Hewitt to send Commauder Wolfe to King 'Yes. As you can easily see from the suc ohn, of Abyssinia, with instructions to offer cess of my institutes, a considerable amount the surrender of part of the district of Sankeet, which is part of the territory taken rom Abyssinia by Gen. Gordon, on condition that the Abyssinians march to liberate the Egyptian garrison in the Southern Soudan. The King demands an interview with Admiral Hewitt, and the concession of

Massowah without waiting to negotiate. The Hovas have succeeded in secretly anding in Madagascar a number of Krupp cannons and other munitions of war and hav gone to protect Tananariwo. An English
