Interests of the Church, be allowed to be imprived this Synod, recognizing the need of preserving intact the ancient rights need of preserving intact the ancient rights and privileges of that University, and of maintaining the connection of the Christian Faith with higher education, desires to support it with such moral and material aid as may be possible; and recommends that such Divinity students as desire it should be encouraged to pursue their studies there.

Sufficient names have been, or will shortly be, obtained to the petition asking for a vote for repeal; and the citizens are brought face to face with a most important practical question, one which ought to be decided upon its merits, and as independently as possible of sentiment on the one hand and absurd statements of the inefficiency of the law upon the other. The opponents of the Act are very sanguine of success.
