

Your Only Safe Course-- Demand Genuine Ford Parts.

Every good thing is imitated. Genuine Ford Parts are widely imitated and the imitations have cost Ford owners collectively a stupendous sum in extra repair costs and premature replacements.

The Canadian and U. S. field has been thoroughly exploited by the makers of these spurious parts who are now dumping them here in the hope that you will provide a market to replace the home market that has repudiated them.

Had these parts possessed merit it would not have been necessary to dump them here. Ford owners in Canada and the U. S. A. could take the entire output, but they are too familiar with the results that follow the use of these spurious parts to touch them at any price.

Follow the example of these other Ford owners. Demand Genuine Ford Parts and refuse to be satisfied with anything else.
