\$10,898.75 paid in 1924

Over 200 clients were particularly pleased that they held our Protective Policies last year, because that number became ill or injured and we paid the expenses.
This includes one death claim of \$4,000, and others all the way from \$50.00 down to \$10.00.
It's had enough to be sick or hurt without having the worry of the expense of it.
