

Gold News.—The Belleville *Intelligencer* says: From a letter to a gentleman in town, we learn that they "cleaned up" at the Turley & Gilbert mill, Mar-
more, on Saturday, and the result was highly favorable. Thirty tons, taken indiscriminately, including surface soil and rock, returned \$8 per ton. This exceeded all expectations, considering it was the first run, and great credit was given to Mr. Dunstan, who superintended the operations. The result, considering the cheapness of crushing and facilities for taking out the rock, leaves a large margin for profit, and as there appears to be so many amount of quartz, it is evident that better times are in store for the Hastings mineral region.

GREAT SUFFERING.—How many thousand ladies, both old and young, have passed through great suffering from that terrible demon Neuritis, some passing sleepless nights, twisting about in great agony, but not getting relief after a few hours of misery only to be renewed again in a short time with the un-
relenting excruciating pain. Others have had to endure this torture for weeks at a time, both day and night, until nearly exhausted, and almost wishing for the angel of death to relieve them. But hope dawns, a cure has been discovered, a rapid and reliable cure. The remedy is called Dr. J. Briggs' Unrivalled Pile Remedy.

Dr. J. Briggs' Unrivalled Pile Remedy. In mild, yet efficacious, and warranted to cure internal, external, bleeding and itching Piles, in the most satisfactory manner, without the least unpleasant sensation. It is well known that thousands upon thousands have been afflicted with this disease, and at the present time are suffering, but have gone to their long homes without relief. The number is incredible who are dragging out a miserable existence at the present time, searching and trying for a remedy. We would say to those who suffer, get a box of Briggs' Pile Remedy, and the trial will not be in vain. The relief is immediate, and a cure soon effected. Price \$1.00.

Diminished Importations.—The imports at the Port of Montreal for June, 1869, were only \$2,771,556, against \$2,023,027 for June 1868. There is no doubt that the fall importations will also be very light as compared with those of the corresponding period of previous years.

IRON IN THE BLOOD.
The necessity of a due proportion of iron in the blood is well known to all medical men; when it becomes reduced from any cause whatever, the whole system suffers, the weakest part being first attacked, and a feeling of languor, lassitude and "all generalities" pervades the system. Stimulants only afford temporary relief, and have the same effect as giving a tired horse the whip instead of oats. The true remedy is to supply the blood with the necessary quantity of iron. This can be done by using
PERUVIAN SYRUP,
a protected solution of the protoxide of iron, which is so prepared that it assimilates at once with the blood, giving strength, vigor and new life to the whole system.
To take medicine to cure diseases occasioned by a deficiency of iron in the blood, without restoring to the system, is like trying to repair a building when the foundation is gone.
An eminent divine says: "I have been using the Peruvian Syrup for some time past—it gives me new vigor, buoyancy of spirits, elasticity of muscle."
Pamphlets containing certificates of cures, and recommendations from some of the most eminent physicians, clergymen and others, will be sent free to any address.
The genuine **PERUVIAN SYRUP** blown in glass bottles. Sold by all druggists.
