Heffernan Brothers have great pleasure in announcing to their patrons that, in view of the great advance which they knew must inevitably take place in the price of woollen goods they were careful to place their orders with the leading European and Canadian manufacturers fully three months in advance of any house west of Toronto, and by means of a large cash capital have been able to make special and most advantageous terms, and are now prepared to show a large and magnificent assortment of NEW DRY GOODS AT OLD PRICES.

We here give a short catalogue of prices in a few of the leading departments, but for a full and correct idea of the immensity of the stock and the unparalleled low prices of goods we invite every one to call and inspect the stock.
