will not make a beautiful city, and when I applied for the position of Parks sloner in Calgary, it was with the (idea. in mind that it would be very wise p an to devote a good deal of time, and thought, and energy for a few

ing of Balm of Gilead and spruce, and another thousand from A. Rankin of Imnisfail of the same varieties. The first lot were purchased at 20 cents and the second at 25 cents. There were several letters of appli-cation read for the job of laying out the city parks but the committee de-cided that though Mr. Buchanars price was high they could not do bet-ter. There was some discussion as to whether he should be frired at once or wait for the bylaw to pass, as the chairman pointed out, that Mr. Buc-

In my opinion, a man with the right of testimony were taken during the kind of knowledge, with a natural trial. The claimant to nearly one half artistic taste well developed, and with the estate of several hundred thousand his heart fully in the work, could in dollars, will appeal to a higher court.

chairman pointed out that Mr. Bu-chanan does not intend to spend any, money during the first year, but rather to make a study of the ground and conditions before doing any work rather to make a study of the ground and conditions before doing and work in laying out parks or sites. Mayor Jamieson stated that the twenty-thousand cuttings that had been put out in the city mirseries last year had all done well during the winter and thought that they should have some person to handle this. It was decked to have Mf. Curits of the Pub-lic Works department devote a small portion of his time for the present: The tenders for seed for the boule-vards were fead and was given to the lowest. tenderer, Messrs. Plunkett & Savage. The meeting concluded with the checking up of the estimates which were, with but slight alterations, placed Overloading Causes Incomplete Digestion, Weaken

work, but to the actual money value of it in enhancing the value of their Gluttony is as vile a sin as drunken ness and its evil results are more terriof it in enhancing the value of their individual properties, there would no ionger be any difficulty in persuading the ratepayers to vote funds for the development of parks; and in the meantime thoroughly good and carefu plans could be drawn up for the parks of digestive fluid every twenty-four means found be drawn up for the parks of digestive fluid every twenty-four bours. Cram your stomach with food and you exhaust these juices. If your stomach cannot digest the food be-cause it lacks juices to do with, you should either eat less or make more park, developments, and your people would be much more anxious to have the parks just what they ought to be, art by Dyspensia Tablets in your stom-ach the evil effects of oversating are were, with but slight alterations, placed before the city council last night. ble and far more rapid. The hum The following is a copy of the letter sent by Mr. Buchanan to City Clerk Gil'is, as coming from an expert, al-though from another province, who has (1). Fully modern two storey house on Fourth street east, \$10,000. made a life study of tree culture, and 6 lots on Fourth street east, \$23,000. (2). One and a half lots on 7th Avenue between (3).
